...the only limitation is your imagination

A complete Supply List is at the end of this post.

Make Your Cuts:

- The Basic White Thick card base is 5 1/2" x 8 1/2". Score it at 2 1/8" and 4 1/4".
- Fold the card base in half at the 4 1/4" score line.
- Fold the flap back on the 2 1/8" score line. Burnish the score lines.
- The front Basic White large panel is 3 1/4" x 5".
- The patterned paper layer on the front left panel is 2" x 5 3/8".
- Cut the large patterned paper layer for the inside 4 1/9" x 5 3/8".
- The inside Basic White writing layer is 3" x 4 1/4".
- I used a die to cut the sentiment layer. It measures 3/4" x 2 1/4".
- The Zinnias are fussy cut directly from the patterned paper.
- The sentiment is stamped with Highland Heather ink.
- I stamped the inside writing layer with images from the Simply Zinnias stamp set.

- Attach the layers to the card base as shown.
- Be sure to add adhesive only to the back right side of the front panel. Only the left half of the front panel is attached to the folded 2 1/8" panel.
- If you fold the front panel back, you can easily see how to adhere and center the focal point layer. See the image above.
- The sentiment is attached with Dimensionals.

I hope you enjoy this Tutorial. Please reach out to me with any questions.

The beautiful colors and large flowers make this such a fun project to create. Happy stamping!

Thank you for stopping by,

Debbie
