- The Very Vanilla sentiment layer measures 1" x 2 1/2".
- You will need about 9" of the Naturals 1" wide ribbon.
- The Pretty Peacock foiled layer under the ribbon layer measures 1 1/2" x 3 3/4".
- The small foil patterned paper leaf measures about 1 1/2" x 1 1/2".

Quick Assembly:

- Attach the 4 1/4" x 5 1/2" patterned paper to the entire card front.
- Adhere the Pretty Peacock foiled patterned paper layer to the center of the card front.
- Flag cut each side of the 1" Naturals Ribbon. Fold it in half and attach it to the top of the Pretty Peacock DSP layer.
- Attach the large maple leaf die cuts as shown with Dimensionals.
- Attach the smaller die cut maple leaf under the large leaves as shown using Dimensionals.
- Stamp the sentiment and attach the sentiment layer using both liquid glue and a Dimensional.
- Add your embellishments.

I stamped the inside sentiment with Wild Wheat ink. The decorative strip at the bottom of the inside of the card is about 1/2" Pretty Peacock cardstock with a 3/8" wide strip of Very Vanilla foiled DSP on top. The width of the strip is 4 1/4".
