...the only limitation is your imagination

Supplies: There's a complete Supply List at the end of this Tutorial.

Cuts And Measurements:

- Cut a 5 1/2" x 8 1/2" Pecan Pie cardstock card base. It's scored at 4 1/4".
- The Real Red mat layer is 4 1/8" x 5 3/8".
- The patterned paper layer is 4" x 5 1/4".
- I used one of the Deckled Circle Dies to cut out the bottom right corner of the patterned

paper. This allows the Real Red mat layer to become part of the Focal Point.

- The circle measures about 3 1/4" in diameter.
- Die cut a Mossy Meadow circle (3" in diameter), a Real Red gift box, and a Basic White and Wild Wheat ribbon bow for the gift box.

Stamping:

- Stamp the gingerbread man with Pecan Pie ink and die cut with the coordinating die.
- Stamp the face of the gingerbread man with White Craft Ink, or emboss it in White. (I embossed the gingerbread face).
- The sentiment is from the Ringed With Nature stamp set. (Annual Catalog). I liked the size and the sentiment font with this design. Substitute with any sentiment you have.
- Stamp the sentiment with Real Red ink onto a 3/4" x 3" Basic White cardstock strip, and "flag" the right end as shown.

Assembly:

- To assemble the layers, first attach the die cut patterned paper layer to the Real Red Mat layer. Then attach them to the card base.
- "Shadow" the Wild Wheat die cut ribbon under the Basic White ribbon with glue.
- Attach the gingerbread man and gift box to the card front with Dimensionals, as shown.
- I attached the sentiment strip with Dimensionals, as well.
- For a little sparkle, I added some Red Rhinestones I had on hand.

This is a fun, quick design to put together. I hope you enjoy this Tutorial. Please reach out to me with any questions.

Thank you for stopping by, Debbie
