...the only limitation is your imagination

**Supplies:** There is a complete Supply List at the end of this Tutorial.

## Prepare your Pieces & Parts:

- Cut a Basic White card base 4 1/4" x 11", and scored at 5 1/2".
- The Melon Mambo patterned paper card front layer is 4" x 5 1/4".
- The banner strip of coordinating patterned paper is 2" x 3 1/4".
- Cut two pieces of ribbon 3" and angle cut the ends.
- The flowers are stamped with Melon Mambo and Flirty Flamingo ink.
- The leaves are stamped with Granny Apple Green and Old Olive ink.
- The gold heart, stamped flowers, and leaves are die cut with the coordinating Hearts of Elegance Dies.
- I die cut a Deckled Edge Circle using one of the Dies. It measures about 2 3/8" in diameter. If you don't have the dies, use a similar circle die or punch.
- The sentiment is stamped onto a Basic White cardstock strip 1" x 2 3/4". I used my corner round punch to round the ends.
- Embellishments. I used the Gold Heart Sequins from this Product Suite.

## Let's Put It All Together:

1. Attach the Melon Mambo patterned paper layer to the card base.

<http://www.expressivelydeb.com>

2. Attach the circle to the center of the card front on top of the patterned paper layer.
3. Attach the patterned paper banner to the left side of the circle as shown.
4. Attach the ribbon on top of the banner using glue dots, as shown.
5. Attach the heart to the top left corner of the circle over the banner strips using Dimensionals.
- Be sure to angle it, as shown.
6. Attach the stamped sentiment layer to the bottom right of the circle as shown. Be sure to angle it up to the right, as shown.
7. Arrange and attach the flowers and leaves as shown using Dimensionals and glue where necessary.
8. Embellish.

I hope you enjoyed this card design. As always, you can reach out to me with any questions.
