Surprise Your Recipient With This Fun Secret Sentiment Surprise!

- The Pool Party cardstock card base is 5 1/2" x 8 1/2", scored at 4 1/4".
- The large Basic White mat layer is 3 3/4" x 5".
- The floral patterned paper layer is 3 5/8" x 4 7/8".
- The Pool Party small cardstock layer is 3 1/2" x 3".
- The Pool Party patterned paper layer is 3 3/8" x 2 7/8".
- There's a secret Basic White layer that you will need. It's 3 1/4" x 2 3/4".
- Stamp the flowers with Petal Pink and Sweet Sorbet ink and die cut with coordinating dies.
- There are a few Basic Black die cut sprigs, and Basic White small flowers. These are also die cuts using the Hooray For Surprises Dies.
- I stamped the sentiment with Black Memento ink and hand cropped the banner.
- I dotted the centers of the small flowers with my Daffodil Delight Stampin' Blend.

Assemble the card:

- Adhere the floral patterned paper layer to the Basic White Mat layer and attach both to the center of the front of the card base as shown above.
- Attach the Pool Party patterned paper layer to the Pool Party cardstock layer as shown above.
- Stamp the inside "surprise" sentiment to the **center of the Basic White layer**. Set this layer aside for a minute.
- Place the tabbed larger circle die directly in the center of the Pool Party patterned paper and cardstock layer as shown below. **It's very important that your die cut is in the center of the layers.**

Surprise Your Recipient With This Fun Secret Sentiment Surprise!

- Attach the stamped side of the small Basic White layer you set aside to the back of the die cut Pool Party cardstock layer. Be sure the Basic White stamped layer is in the center of the Pool Party layer. See above.
- Attach the flower elements and sentiment to the center of the die cut circle as shown. Be sure to leave the left side of the circle free of die cuts and leave the tab clear of die cuts as well.
- Attach the die cut Pool Party layer to the center of the front of the card base.

- Attach the inside writing layer. This is a Basic White cardstock layer that measures 3 3/4" x 5".
- I also added a 1/4" patterned paper strip to the bottom of the writing layer.

As long as your surprise sentiment is stamped in the center of the Basic White cardstock layer and the circle die cut is in the center of the Pool Party layers, there is an excellent chance the "surprise" sentiment will appear in the center of the perforated circle.
