Begin with Basic White cardstock cut 4 1/4 x 11, score at 5 1/2, fold & burnish.

Cut Real Red cardstock 5 7/8 x 4 1/8 and adhere to card base.

Cut Silver & Gold DSP 4 x 5 1/4, adhere to card front.

Using a strip of Silver Foil and the Delicate Edges Dies, die cut the strip and adhere in the center of the card front.

Stamp the first layer of the two-stamp images of the pinecones with Crumb Cake ink, followed by Soft Suede ink using the other stamp. Die cut the images and set aside.

Stamp the pine needles image using Evening Evergreen and Shaded Spruce ink pads. I stamped two with each color, then die cut.

Place the pine cones in the center of the card, on the silver foil strip, arranging them so they are downward a bit. When you're satisfied with how they look, adhere only in the centers of the pinecones with liquid adhesive. Grab the pine needles die cuts and tuck them under the pinecones, one in each corner.

Stamp the flower image twice using Real Red ink, die cut and adhere one over the other. Stamp the holly leaves using Evening Evergreen ink and die cut.

Adhere the leaves behind the flower.

Loop Silver Trim a couple of times and adhere behind the flower.

Add dimensionals behind the flower & leaves and adhere in the center of the pinecones.

Stamp "JOY" using Real Red ink and adhere with dimensional just below the flower.

Add three Festive Pearls in the center of the flower.

Inside the card:

Cut Real Red cardstock 4 x 5 1/4, adhere inside card.

Cut Basic White cardstock 3 3/4 x 5. Adhere a 3/4" strip of DSP on the right. Stamp sentiment using Real Red ink. Stamp pine needles image in lower left using Evening Evergreen ink, stamping once and stamping a second time without re-inking the stamp, for a lighter image.

Adhere over the red cardstock.
