## Card Directions

1. Die-cut a 6" x 6" piece of Basic White Cardstock with the largest Deckled Circle die.
2. Mark the largest Deckled Circle Die with a pencil at the halfway mark on both sides.
3. Using the 6" x 3-1/4", place the circle die so the pencil halfway marks are on the top cut of the DSP, tape in place, and die-cut the half circle out. Line the paper with the White Cardstock circle and adhere with Liquid Glue. Fold the bare White Cardstock in half and burnish it with a Bone Folder.
4. Die-cut a Perennial Postage Stamp out of Basic White Cardstock. Stamp the greeting in Mossy Meadow Ink on this die-cut. Adhere the bottom part of the greeting at an angle to the right side of the card, using Dimensionals, with the top going off the card.
5. From Fall color Cardstock, die cut the fern/leaf and the solid leaf in three or four different colors and insert them on the left side and the bottom of the greeting using Glue Dots.
6. Embellish with the Pecan Pie & Clear Ribboned Adhesive-Backed Dots.
7. On the inside, I stamped the sentiment in Mossy Meadow Ink. Stamp the wheat-looking and the leaf stamp in Wild Wheat Ink on Basic White Cardstock. After coloring the leaf with Stampin' Blends, crop both items with the coordinating dies and adhere to the inside of the card.
8. For the envelope, use the unused half of the Designer Series paper from the front of the card on the envelope flap, adhering it with liquid glue and trimming off any excess.
