I'm sharing with you today a card made with the Stampin' Up! Bundle On The Horizon as well as the New Horizon Designer Series Paper that are in the January to June mini catalog.

## **Let's Get Started**

1. Fold Evening Evergreen card base on the score line, burnish with bone folder.
2. Using the 3<sup>rd</sup> largest Rectangle Stitched Die (approx.. 3-1/8" x 4-1/2"), center it on the DSP and run through Cut & Emboss Machine.
3. Adhere the frame of DSP (what's left after cutting out center) to card front.
4. Adhere the rectangle center to Evening Evergreen cardstock and adhere to card front.
5. Using the fence dies from the Horizon Dies, cut out one of each from the In Good Taste DSP and adhere to card front.
6. Heat Emboss your greeting onto a piece of Evening Evergreen card stock using VersaMark and White Embossing Powder. Cut out with Rectangle Stitched Die and adhere to card front with Dimensionals.
7. Add 2021 – 2023 In-Color Jewels to card front.
8. Adhere 1" strip of New Horizon DSP to left side of White Card Stock panel (inside piece).
9. Using Evening Evergreen Ink stamp greeting on the Basic White card stock then adhere to inside.

And now you have a beautiful card to brighten someone's day.

Happy Stamping!

## **Card Recipe**
