Stampin' Up! Irresistible Blooms is an online only offering. This is something new that Stampin' Up! started, releasing products online only that will not appear in a catalogue. The best way to see "What's New" is to visit Stampin' Up! website and click on the "What's New" at the top left of the website. While you're there, remember to check out the clearance page.

I made this card using the Hello, Irresistible Designer Series Paper. Even though the flowers look like I heat embossed them, it's really the paper. Not only is it Gorgeous, it's a simple and quick card to make.

I hope you enjoyed this card as much as I enjoyed making and sharing it with you.

## Let's Get Started

1. Fold the Thick Basic White Card Base in half on the score line and burnish with Bone Folder.
2. Cut your DSP to 4" x 5-1/4" and adhere to 4-1/4" x 5-3/8" Flirty Flamingo cardstock then adhere to card base. Save the DSP for card inside and envelope flap.
3. Cut your DSP to 2-3/4" x 4" and adhere to 2-7/8" x 4-1/8" Flirty Flamingo cardstock then adhere to card front.
4. Stamp your greeting in VersaMark Ink onto Flirty Flamingo cardstock. Heat emboss with White Embossing Powder. Attached to card front with Dimensionals
5. Add Loose Frosted Dots or another embellishment to card front.
6. For the inside of card stamp the birthday greeting from the Framed Florets stamp set onto Basic White Cardstock with Flirty Flamingo Ink. Adhere this to a panel of Flirty Flamingo Cardstock and attached to card inside. Add a strip of DSP to bottom of card.
7. The Envelope is finished by adding a 6" x 3/8" strip of Flirty Flamingo Cardstock to the top of the Envelope flap. Adhere a 6" x 2" piece of DSP to the Envelope flap overlapping the cardstock. Trim off any excess paper from flap.

And now you have a beautiful card to brighten someone's day. Don't forget to give it to someone.

Happy Stamping!
