Today I'm showing you how to use Stampin' Up! Autumn Leaves stamp set along with the Distressed Tile 3D Embossing Folder to create a unique background. We put ink on the embossing folder to emboss onto your cardstock.

This technique has been around for a long time. It might be messy but the results are worth it. I hope you enjoyed learning this technique. Happy Stamping!

Card Directions

1. Fold card base in half on the score line, burnish with Bone Folder.
2. With your Copper Clay Ink pad rub ink on the inside of the top of the embossing folder. Put open embossing folder on the Cut & Emboss Machine with top open, lay Very Vanilla Cardstock on embossing folder, carefully close the top. Run through the Cut & Emboss Machine. Remove from folder and adhere to card front.
3. Pull the thread from each end of the ribbon, about a 1/3" on each side for a ravel look. Tape to middle of card front.
4. Stamp larger leaf in Old Olive & Moody Mauve Ink onto Very Vanilla Cardstock. Stamp the smaller double leaf stamp in Crushed Curry (2 sets) and Olive Ink (1 set). Cut out all leaves with coordinating dies.
5. Die cut the large Stylish Shape die out of Pretty Peacock Cardstock, adhere to card front with Dimensionals.
6. Using the largest leaf die, cut one out of Oxidized Specialty Designer Series Paper (peacock & copper paper). Die cut the line die out of the copper piece of the paper. Glue the lines for leaf to the leaf. Adhere leaf to the pretty peacock circle.
7. Cut apart the small double leaf sets. Use Glue Dots or Seal to adhere the leaves to card front putting the ends under the circle.
8. Stamp the greeting in Copper Clay Ink and die cut out with die from the Autumn Leaves Dies. Add to card front with Dimensionals
