Today I'm sharing a classic Christmas card made with Stampin' Up! Night Divine & Stars at Night sets. My goal was to come up with a card that would look good on a particular piece of the O Holy Night designer series paper. I believe I succeeded in this mission. You just can't go wrong with these two sets and the designer series paper, everything comes out looking great.

What is your favorite piece of the O Holy Night Designer Series Paper? If you are like me, it's a hard choice but I would love for you to leave a comment on my blog or on my Facebook page telling me your choice. Happy Stamping!
