Soft Seedling So Grateful Card

The leaf in the Stampin' Up! Soft Seedling stamp set has a beautiful stamp to it. I used the Baby Wipe Technique on this card for the Card front. For the stamp on the inside, I had thrown out my baby wipes already so I used my Daubers to ink the stamp. As you can see you get just as beautiful of results with either method you should use. I hope you have fun exploring which technique you enjoy the most for this stamp. You can find a video of the baby wipe technique that I posted in August, Perched in A Tree video and card. If you make this card, I would love to see it. You can either email me the photo or post it to my Facebook page, Stamping with Bonnie-Lynn. Not only would this make a lovely Thanksgiving card but I know someone who would love this for a Birthday Card. I hope you enjoy the card.

Let's Get Started

1. Prepare the baby wipes first. Open them up and stack about 5 of them on a plastic or paper plate. Using the Ink Refills of Cajun Craze, Cherry Cobbler, Crushed Curry & Pumpkin Pie spread about 5 to 7 drops of each color around the wipes. Using Clear Block E for the leaf stamp, ink it up from the stamp pad you just made and stamp on the smaller Very Vanilla Cardstock. Make sure you hold the stamp down for 5 to 10 seconds to give the paper time to absorb the ink. While your wipes are still moist go ahead and stamp the leaf on your inside Very Vanilla panel and your envelope.
2. Stamp the Greeting on the bottom left-hand side under the Leaf in Cajun Craze Ink.
3. Using the Simply Scored Scoring Tool, lay your stamped Very Vanilla Cardstock in the upper left hand corner with the stamped image facing downward. On left side of the paper score either 3 times down the side starting with the mark closest to edge, then move to the next mark and then one more time. Now turn the paper so the opposite edge is against the corner and repeat the process. Both sides should now have 3 score lines. The top and bottom come next. Repeat the same steps only doing 2 score lines for the top and bottom. Adhere this panel to the 3-3/8" x 3-7/8" Cajun Craze. Set aside.
4. Fold your Cajun Craze Card Base in half on the score line and burnish with Bone Folder.
5. Grab your Leaf Fall 3D Embossing Folder and emboss the 3-7/8" x 5-1/8" panel of Very Vanilla Cardstock. Adhere to Crushed Curry Cardstock.

6. Wrap your Ribbon, I used a retired Cherry Cobble Gold ribbon but there is a pretty Gold Shimmer Ribbon available, around the middle you're your Vanilla and Crushed Curry Panel taping the ends to the underside of the panel. You might want to add a Glue Dot to the underside of ribbon in the front middle to hold in place. Adhere this panel to your Cajun Craze Card Base.
7. Add your Leaf Stamped section to Card Front using Dimensionals.
8. Stamp a Saying to you inside Very Vanilla panel then adhere to Card Base inside.
9. For the back of the card don't forget to stamp a special stamp from the Limited-Edition stamp set.

And now you have a beautiful Fall card to brighten someone's day.

Happy Stamping!
