Who wouldn't love receiving this creative fold Stampin' Up! Beary Cute Cascading Card that comes in a box. There is even room in the box for a gift card or some treats. To help you make this card and box I've included a video tutorial that I suggest you watch for the best directions.

This idea is a case from a Creative Retreat card. I did rework the measurements to fit my design. I hope you enjoyed this unique card as much as I enjoyed making and sharing it with you. Happy Stamping!

Card Directions

1. For the card, lay the card backs on a piece of grid paper, alternating the colors, spacing panels 1/2" apart.
2. Take the 3/8" Balmy Blue Sparkle Ribbon, 20 inches, start with the bottom base and tape ribbon with scotch tape or Tear-N-Tape about 1/3 the way up from bottom of panel. With 1/2" between bottom card base and the next card base, tape the ribbon to the next base in the middle of panel. Repeat this process for panel #2 and then the top panel. Leaving the ribbon in one piece, take the left over ribbon, make a loop and tape the end in the middle of top panel next to/slightly overlapping ribbon already down.
3. Use Dimensionals to adhere the Beary Christmas Memories & More Cards to the card bases. (Hint: you might want to wait to attached the bottom panel that you write on till after you write on the note card.
4. Next I added some Adhesive-Backed Glitter Sequins to a couple of the panels.
5. Tie a knot out of 6" of the ribbon and adhere at the top of the first card panel where the ribbon comes together.
6. For the box, score all 4 sides at 1". On the long side, score at 4-1/2" & 5-1/2". Burnish the score lines.

7. Cut on the long side score lines from the edge in 1" to score lines. Angle each tab (see photo/video) to score line.
8. Punch or crop half of a 1" circle on the front of the box top (see photo).
9. Glue (you can also use Seal Plus or Tear-N-Tape) all 4 tabs to inside of box bottom to form a box. Place glue or tape close to score lines.
10. Adhere the tops 2 tabs to inside of top to form the lid.
11. To finish the top, adhere the Misty Moonlight panel to the box top centering it.
12. Stamp the greeting in Cherry Cobbler Ink in the middle of one of the Beary Christmas Memories & More cards. Adhere to box top with Dimensionals.
13. Select a couple stickers from the sticker sheets in the Beary Christmas Memories & More Card Pack and adhere to box top.
14. Add embellishments to box top. Tie a box out of 11" of the ribbon and add to box top with a Glue Dot.
