Card Directions

1. Cut and score all cardstock and papers as listed under Cutting Directions below.
2. Fold the Basic White Thick Card Base in half on the score line, and burnish it with a Bone Folder.
3. Tip: Before beginning, have a bowl/cup of warm, soapy water and paper towels to clean the tools. Cover your crafting space before working with the embossing paste. This will allow for an easy cleanup and less mess. Place a dollop of Shimmery Embossing Paste on a large acrylic block wrapped in a cellophane bag, wax paper, or saran wrap. Add a couple of drops of Azure Afternoon and Boho Blue ink refill to the paste and mix with a palette knife.
4. Use a palette knife to spread the embossing paste over the Thick Basic White embossing paste layer and inside strip.
5. To create the square pattern, use the bottom of a Stampin' Spot to "stamp" squares in the wet embossing paste. Then, place the bottom of the Stampin' Spot (clean off with a wet paper towel if filled with ink) and palette knife in warm, soapy water so the paste does not harden on the tools.
6. Let the embossing paste dry. Depending on how thick the embossing paste is applied it may take a few minutes to a few hours. To speed up drying time, use a Heat Tool on the lowest setting, to avoid overheating or burning the paste. The heat tool may cause the embossing paste to puff up or bubble.
7. Once the Embossing Paste has dried, adhere the blue embossed layer to the Basic White Cardstock then adhere this to the Pretty In Pink card base.

8. Stamp the flower outline on White Cardstock using Pretty In Pink, Peach Pie, and Petunia Pop Ink for 3 flowers. Use the coordinating stamps to fill in the flowers with color by stamping them off once before stamping them. Crop flowers with the coordinating die.
9. Cut the greenery out of Shy Shamrock Cardstock and the larger of the two flower strips dies from Petunia Pop Cardstock or from 2024 - 2026 In Color Designer Series Paper.
10. Adhere the greenery to the card front with Liquid Glue and/or Mini Glue Dots. Add the large flowers with Dimensionals. Add the Petunia Pop flowers with Liquid Glue or Glue Dots on the end of the tall greenery. Brush Wink of Stella on the flowers.
11. Stamp the greeting in Shy Shamrock Ink onto Basic White Cardstock, cut out with the Stylish Shape chevron die. Adhere to the card front with Dimensionals.
12. The inside was completed with the sentiment stamped in Shy Shamrock Ink onto Basic White Cardstock. Stamp a flower in the bottom corner using the same two-step process you did on the front flowers.
13. For the Envelope add a piece of Designer Series Paper that matches one of the flower colors to the Envelope Flap, trim off excess.

- The blue panel was made using an Ink Spot. Re-inkers used are Azure Afternoon and Boho Blue.
- The pink panel was made using a Dauber. Re-inkers used are Mango Melody and Bubble Bath. The middle color is a combination of the two re-inkers.
- The light green panel was made using a fork. Re-inkers used are Lemon Lime Twist and Daffodil Delight.
