

Nature Prints Thank You Card

Today I'm sharing a quick and pretty Nature's Prints Thank You Card with you. The Sun Prints Designer Series Paper is so pretty and makes a perfect thank you card when paired with the Starry Sky 2022 -2024 In Color. I enjoy the way the white heat embossing pops and the Orchard Oasis Ink shines. I was looking for just a slight variance in color when I selected Orchard Oasis instead of Starry Sky. I hope you enjoy this card.

Let's Get Started

1. Fold card base on the score line and burnish with Bone Folder.
2. Adhere Starry Sky Cardstock to card base front with your favorite adhesive.
3. Next adhere your Sun Prints Designer Series Papers to card front.
4. Using the circular die from the Natural Print Dies cut out what I'll call your wreath. Adhere the wreath with either liquid glue or glue dots to your card front.
5. Stamp your White Cardstock with one of the Nature's Prints stamps in Orchard Oasis Ink. Adhere this to a piece of Starry Sky Cardstock then adhere to card front with Dimensionals.
6. Heat emboss the greeting with White Embossing Powder on a piece of Starry Sky Cardstock. Cut out with a die from the Natural Prints Dies. Adhere to card front over lapping the stamped image with Dimensionals.

7. Add three 2022 – 2024 In Color Matte Decorative Dots to card front.
8. Stamp the same image us used on the front in the bottom right corner of white cardstock in Orchard Oasis Ink. Adhere to card inside.
9. Using the same stamp and ink, stamp the imagine in the bottom left corner of envelope and 3 times on the envelope flap.

And now you have a beautiful card to brighten someone's day.

Happy Stamping!
