The Stampin' Up! Beary Christmas Memories & More Card Pack is really amazing. For you, I made two Quick & Simple Christmas Cards using the 4" x 6" cards from the pack plus one smaller one. These cards make fast and fun cards that you cannot go wrong with.

I love how simple it is using this package and the colors are so bright and cheerful. Card making doesn't get easier unless you're using a Stampin' Up! Kit. I hope you enjoy these and will consider giving them a try. A reminder, when stamping with photopolymer stamps, remember to use the Stampin' Pierce Mat and to hold stamp in place for 5 seconds for the best image. Happy Stamping!

Card Directions

1. Fold card bases, Night of Navy for the Blue Ribbon and Misty Moonlight for the Red Ribbon Card, on the score line, burnish with Bone Folder.
2. Select a 4" x 6" preprinted picture you like, trim down to 4" x 5-1/4". For the card with blue ribbon, cut 22" and wrap around card and tie bow on the left hand side of panel, adhere to card front. For the red ribbon, cut 6-1/2" and secure ends to back side of panel pulling ribbon snug (see the "season greetings" example in gallery), adhere to card front.
3. For the blue ribbon card, add the small panel with greeting to card front with Dimensionals. The red ribbon card, stamp the greeting onto 1/2" x 4" white cardstock. Cut the ends diagonally, add to right side of card with Dimensionals over the ribbon.
4. Add embellishments to both cards.
5. The inside was completed by adding a 5/8" x 5-1/4" strip of the Beary Christmas Designer Series Paper to bottom of white cardstock panel. Stamp the saying in either Real Red or Misty Moonlight cardstock.
6. Complete the envelopes by adding designer series paper to the envelope flap.
