Today I'm sharing a set of cards from the new In Colors from Stampin' Up! using the Nature's Print stamp set. I like these colors. My favorite is the Boho Blue and Moody Mauve but don't discount the others, they are going to work well in your card making. The cards are identical except for the colors. I hope you enjoyed these cards as much as I enjoyed making and sharing it with you.

Let's Get Started

1. All the cards were made exactly the same. My directions will be for the Moody Mauve and I'll list all the colors for you following the directions.
2. Fold Moody Mauve card base in half on the score line and burnish with Bone Folder.
3. Emboss the Moody Mauve 4" x 5-1/4" panel with the Countryside Blossom Embossing Folder. Adhere the 2023 - 2025 In Color Designer Series Paper to left side of panel.
4. Wrap 6" of 3/8" Moody Mauve Ribbon around the middle of card front and adhere to back of panel. Tie a 20" piece of Baker's Twine Essentials Pack White Twine around the card over the 3/8" ribbon, tie a bow on the left side. Adhere this panel to card base.
5. Using the 4th largest Deckle Rectangle Die cut out the 3" x 4-1/4" White Cardstock. Stamp the greeting in Moody Mauve Ink on the upper right hand corner of die cut. Stamp the image in Moody Mauve Ink on the die cut. Adhere to card front with Dimensionals.
6. Add Moody Mauve 2023 - 2025 In Color Dots to card front.
7. The inside was finished by stamping the same image that was used on the front in Moody Mauve Ink on bottom left corner on Basic White Cardstock and adhere to inside. Stamp the same image on the envelope, lower left corner.

And now you have a beautiful card to brighten someone's day.
