Beary Cute Wandering Around Aspens Card

Today I'm sharing a Stampin Up! Beary Cute wandering around Aspens Card. We are combining stamps, dies and papers from different bundles/suites to show you how to mix and match what you have. Happy Stamping!

Card Directions (for the white card)

1. Cut & score the white card base as listed under cutting directions, fold on score line, burnish with Bone Folder.
2. With you favorite adhesive, adhere One Horse Open Sleigh Designer Series Paper to card base front.
3. Emboss the 5-1/2" x 4-1/4" white cardstock panel with the Snowflake Sky 3D embossing folder. Die cut this panel with the Oval Aspen die from the Aspen Dies. Attached the panel to card front with Dimensionals.
4. Stamp the bear in Black Memento Ink onto White Cardstock. Punch out with Beary Cute Punch. Use Glue Dots to attach to card front.
5. On a piece of Real Red Cardstock, heat emboss greeting from Beary Cute stamp set using VersaMark and White Embossing Powder. Die cut out with die from Labels Aglow die set. Adhere to card front with Glue Dots.
6. Add 2022 - 2024 In-Color Pearl Embellishments to card front.
7. For the inside, stamp saying from Very Best Occasions stamp set, in Real Red Ink onto White Cardstock. Adhere this panel to Real Red panel then adhere to card inside. Tape a piece of the extra designer series paper left over from the front piece to the left side of white cardstock.
8. Don't forget to dress your Envelope flap with a piece of Beary Christmas designer series paper. Glue piece to envelope flap and cut off excess.
9. For the Misty Moonlight card, you make it the same way, only cut the critters you want to use out of the Beary Christmas Designer Series Paper. The sample was not embossed with the embossing folder and greeting was stamped in Real Red Ink. Since we used a color card base, only white cardstock was used
