Season of Chic Thank You Card

Today I'm sharing with you the Lovely Stampin' Up stamp bundle, Season of Chic. This beautiful set will let you make the perfect card for any season of the year. And the Tropical Chic Designer Series Paper is absolutely stunning. One side has foil highlights and the reverse side is just as stunning. An extra pack or two of this DSP is needed. The paper alone will make a gorgeous card with just a greeting on the front. You can easily make a card out of any left-over scraps. Disclaimer: I used a "Thanks" that is not Stampin' Up as I had this one prior to Stampin' Up releasing their dies and the two were so similar that I couldn't justify the expense. You will get almost the same look with the Amazing Thanks Dies. I hope you enjoy this card.

Let's Get Started

Fold Card Base on the score line and burnish with Bone Folder.

Using the 4th largest Layering Diorama Die cut out the middle of the Petal Pink panel. Adhere what's left of the panel to card front (the designer series paper will cover the hole).

Cut the middle out of your Texture Chic Designer Series Paper with the 5th largest Layering Diorama Die (make sure you cut exactly where you want to place your cutouts so that you cover the hole). Adhere this panel to the card front.

Layer the 2 Layering Diorama cut outs together with your favorite adhesive. Now adhere these dioramas to Card Front with Liquid Glue around the edge of the Petal Pink layer.

With the Chic Dies cut your Vellum paper out with the "net" die (what do you call it?). Adhere to card front by sponging a little Liquid Glue on the netting.

The "Thanks" die from the Amazing Thanks Framelets are two pieces. The top piece you want to cut out of Petal Pink Cardstock (suggest you use the Adhesive Sheet Backing on the back of the Pink Petal cardstock prior to cutting) and the bottom layer out of Soft Suede Cardstock. Layer the two pieces together and adhere to Card Front with Dimensionals.

The two fine detailed Sea Shells are cut out of Gold Foil with the Chic Dies. I suggest using the Adhesive Sheet

Backing on the Gold Foil. Adhere to Card Front.

Add a Ribbon made out of the Petal Pink 3/8" Soft Polyester Ribbon.

Add 3 Champagne Rhinestone Basic Jewels to Card Front.

For the inside stamp the greeting from the Season of Chic stamp set in Soft Suede Ink onto the White Cardstock panel. Stamp the 2-part Sea Shell stamp by stamping the shell with the lines first in Crumb Cake Ink, stamp off one time before stamping the panel. Then using Petal Pink ink stamp the second stamp also stamping off once before stamping over the shell. Adhere this panel to card inside.

The envelope is finished with a 6" x 2-1/2" piece of Designer Series Paper glued to flap then cut off the excess with Paper Snip Scissors.

And now you have a beautiful card to brighten someone's day.

Happy Stamping!
