Today I'm sharing Stampin' Up! Layers of Beauty Stamp Bundle with you. This set is Awesome! I played with it over the weekend and had so much fun and you will too. Take the time to experiment with different colors and combinations of colors. You can create any color of rose you desire.

I'm giving you paper dimensions for this card but no step-by-step instructions. In the video, I show you how to use the masks to color the flowers; you will want to watch that for your directions. Be sure to have fun, Happy Stamping!
