Introducing Nature Prints and the 2022 - 2024 In Colors

Today I'm sharing with you the 2022 – 2024 In Colors, they are so vibrant and refreshing. I wanted to share the 5 colors with you so I made a card for each color, 4 of which are pretty much the same layout and one is a little different. I'll share the card recipe of the 4 cards. I used only the Nature Prints Bundle that will be released May 3rd on all the cards. Only the "Happy Birthday" stamp was from a different stamp set and the die used to cut it out is from the Stitched Rectangle Dies. The die cut on the Tahitian Tide card is included with the Natural Prints Dies as is all the stamps and dies used on everything else. These cards were so much fun to make.
