

Flowering Tulips Think of You Friend Card

Today I'm sharing the Flowering Fields Designer Series Paper with you before it retires at the end of the month. I'm going to miss this paper; it is so pretty. The flowers on this card is two step stamping which means 2 separate stamps per flower. You'll stamp the more fuller stamp first with the ink in full strength. Then for the second stamp you will ink the stamp, stamp off one time on scratch paper and then stamp over first flower. Practice makes perfect to get the shades you want and the correct lining up of the flowers. I hope you enjoy this card in my favorite colors...

Let's Get Started

1. Starting with the 3" x 3-1/4" White Cardstock stamp the "friend" stamp from the Happiness Abounds Stamp Set in Evening Evergreen Ink at the top. Then with the Fresh Freesia Ink stamp the middle flower by stamping the fuller stamp in full strength ink. Then use the second stamp for the flower by inking the stamp and stamping off one time on scratch paper then line up stamp with the first stamp and stamp. Repeat these steps 2 times with the other flower using Highland Heather Ink. Stamp the center for these last 2 flowers in Soft Suede Ink. Stamp a stem in Soft Succulent Ink on each flower. Stamp one leaf in Soft Succulent on the left then one in Evening Evergreen Ink in the center and one on the right.
2. While you're stamping flowers go ahead and stamp on the White Cardstock for the inside in Highland Heather with the Soft Succulent for both the stem and leaf. The inside sentiment is from the Flowering Tulips Stamp Set in Evening

Evergreen Ink. Stamp the same flower on the envelope front.

3. Fold the Rich Razzleberry card base in half on the score line and burnish with the Bone Folder.
4. Adhere the Flowering Fields Designer Series Paper to Card Front with your favorite adhesive.
5. Adhere your stamp flower panel to the 3-1/4" x 3-1/2" panel of Rich Razzleberry Cardstock. Use Dimensionals to adhere to card front.
6. Tie a bow with your Windowpane Check Ribbon and adhere to center flower stem with a Glue Dot.
7. Add three 2021-2023 In Color Jewels to card front (I used the Evening Evergreen).
8. Brush some Wink of Stella to your flowers.
9. Don't forget to use one of the Limited Edition Stamps in Rich Razzleberry Ink on the back of the card base.

And now you have a beautiful card to brighten someone's day.

Happy Stamping!
