For you today, I'm sharing a quick and simple card, showing off beautiful designers series paper. There are 3 cards pictured below, 2 made with Hello, Irresistible DSP and one with the Inked Botanical DSP. I added an elegant border and heat embossed the saying. You could use White Craft Ink for the greeting instead of Heat Embossing for a little faster card.

Both of the designer series paper showcased on these cards is on sale all month long for 15% off. What a wonderful time to order some beautiful papers. Irresistible Blooms is an online exclusive and not shown in the catalog. Happy Stamping!

Instructions:

Fold card base in half on the score line and burnish with Bone Folder.

Adhere designer series paper to card base.

Cut 7/8" x 5-1/2" strip with Elegant Border Die leave about an 1/8" on the side of die that doesn't cut. Adhere to card front.

Heat Emboss greeting in white or use white craft ink on cardstock that matches the card base. Adhere to card front.

Add embellishments to card front.
