Winter is just beginning and I'm sharing the new online exclusive Garden Meadow bundle with the gorgeous Meandering Meadows designer series paper. This paper is so pretty that making quick & simple cards are very easy to do. The Garden Meadows also has a really cool curved die that you'll using for all type of cards. Happy Stamping!

Card Directions

1. Begin by folding the card base on the score line and burnish with Bone Folder.
2. Layer and adhere the Designer Series Paper to the Petal Pink cardstock layer and then to card base with Dimensionals.
3. Stamp the greeting in Blueberry Bushel Ink onto White cardstock.
4. Crop the greeting with the 3rd largest Tailor Made Die with the square corners.
5. Fold a piece of Pecan Pie Center Stripe Ribbon in half and thread through the hole on the left side of greeting, open the ribbon at the fold and slip both ends through it, plug snug. Adhere this to card front.
6. Add Adhesive-Backed Dragonflies & Birds to card front.
7. For the inside, adhere a strip of the designer series paper to right side of white cardstock panel then adhere to card inside. Stamp the birds in Pecan Pie Ink to bottom right side of white cardstock.
8. The envelope was completed by stamping the birds to bottom left side corner in Pecan Pie Ink. A piece of Designer Series Paper was glued to the envelope flap.
