For Quick and Simple Friday I'm sharing this card made with the Bottled Happiness stamp set and Bright Designer Series Paper. I did a stepped up version by embossing the designer series paper and adding ribbon and embellishments. If you don't have those items that's okay, your card will look great either way.

Once you make this card, please share what you make in the comments of the Facebook post of this card. We all love seeing the colors that others choose to make their cards with. Happy Stamping!

## Card Directions

1. Fold card base in half on the score line, burnish with Bone Folder.
2. Emboss the Berry Burst Brights DSP with the Painted Textures 3D Embossing Folder then adhere to card base front.
3. Stamp the vase in Lost Lagoon Ink onto Basic White Cardstock. Next, stamp the flower stamp in Berry Burst Ink so the flowers fit around the bottle neck. The leaves are stamped in Pretty Peacock Ink lining up the small circles that fit in the middle of flowers.
4. The greeting is stamped in Pretty Peacock Ink below the bottle. Crop with the 3rd largest Deckled Rectangle die. Use Dimensionals to adhere the stamped panel to the card front.
5. Add a bow to neck of bottle using a Glue Dot.
6. Embellishments added to front are the Adhesive-Backed Sequins Trio.
7. For the inside, stamp sentiment in Berry Burst Ink and the leafy branch in Pretty Peacock Ink, adhere to inside.
8. Complete the envelope with an embossed panel of Berry Burst Bright Designer Series Paper.
