Card Directions

1. See the cutting directions below for the paper sizes. For the designer series paper start by cutting the paper to a 4" height by cutting some off of top and bottom to get the scene you want. Turn paper so the top is facing towards the bottom of paper trimmer so that you're cutting the right side first. The 1" piece, the first cut, will go on the inside. Keep all the other pieces in order for adhere to card front.
2. Score the card base according to the cutting instructions. View the video for folding instructions, burnish folds with Bone Folder.
3. Glue the 3/8" wide section at fold to card bottom.
4. Adhere the designer series paper to card front in the order it was cut starting with the 1/4" x 4" strip.
5. For the inside, stamp saying from Regal Reindeer stamps set in Early Espresso Ink on White Cardstock. Adhere to inside.
6. Using the 1" x 4" strip, first piece of DSP cut, apply Dimensionals straight down leaving 1/4 space on the inside edge (the front will tuck under this strip).
7. Stamp greeting in Lost Lagoon Ink on White Cardstock. Die cut out with the smallest Countryside Corner Die. Adhere to card front with Dimensionals.
8. Stamp a rabbit in Basic Grey or Black Memento Ink on White Cardstock. Color partly with Light Crumb Cake Stampin Blend and then use Blender Pen to smooth out and lighten color. Color ears with Light Bubble Bath Stampin Blend. Die cut out with coordinating die. Adhere to card front with a Glue Dot.
9. Write directions on a separate piece of paper to insert with card so recipient knows how to assemble.

Happy Stamping!

The last card is the one completed on the video.
