For you today I've created the Stampin' Up Earthen Textures Thank You Card for a quick and simple card. Should you be a new stamper and want to make this card even easier, you could stamp the vases and floral right onto the designer series paper.

I like this set. This card can easily be a masculine card and the Earthen Elegance Designer Series Paper is fabulous. Happy Stamping!

Card Directions

1. Fold card base in half on the score line, burnish with Bone Folder.
2. On the designer series paper Cut into three 4" x 12" strips with the pretty peacock side lengthwise. Using the middle strip cut to 4" x 5-1/4". Adhere to Pretty Peacock panel and then adhere to card base.
3. Stamp the large vase in Pebbled Path Ink onto Grey Granite cardstock. Stamp the small vase in Pretty Peacock Ink onto Grey Granite cardstock. Cut both out with coordinating dies.
4. Die cut the large palm out of Silver Foil Speciality Paper and the grassy looking die out of Lost Lagoon cardstock. Fold in the middle of each palm so they bend downwards.
5. Use Glue dots to adhere the large palm to card front then add the large vase with Dimensionals. Adhere the small base with Dimensionals and the grass pieces with Glue Dots.
6. The greeting was stamped in Pretty Peacock onto Grey Granite cardstock and then die cut out with the smallest Country Side Corner Die. Adhere to card front with Dimensionals.
7. Add Tinsel Gems Three-Pack embellishments to card front.
8. Complete the inside by stamping small vase in Smoky Slate Ink on White Cardstock. Cover the vase to just below the top, stamp the ferns in Lost Lagoon Ink. Stamp the saying in Pretty Peacock Ink. Adhere to inside.
9. The envelope was completed by stamping the vase and ferns just like you did for the card inside.
