We are looking for a truly Quick & Easy card using Stampin' Up's Mix & Match Products today. This is where we start with a card base, and then customize it by adding any combination of Ephemera Packs and the Simply Said Stamp Set. There is no cutting required to make this card.

Whether you are a new stamper just starting to make your cards or a seasoned stamper, these Ephemera Packs and the Card & Envelope Packs are very charming and handy to have on hand. You can check pages 20 and 21 in the 2024-2025 annual catalog for more card ideas. Happy Stamping!

Card Directions

1. Select a Sunny Springs Card Base to fold in half on the score line, and burnish it with a Bone Folder.
2. Cut a length of White Ribbon from the Petal Pink & White 1/4" Diagonal Trim Ribbon. Fold in half and adhere to the card front at an angle.
3. Using the Fully Flowering Ephemera Pack, select your flowers/leaves and punch them out. Add to card front using Stampin' Dimensionals over top of the ribbon.
4. Stamp the greeting in Flirty Flamingo Ink onto one of the punch-outs from the Labels & Layers Ephemera Pack.
5. Embellish with the Adhesive-Backed Transparent Dots.
6. For the inside of the card, punch out a flower and adhere to the bottom right-hand corner of the inside.
7. The matching Envelope is perfect as it is.
