Card Directions

1. Cut and score all cardstock and papers as listed under Cutting Directions below.
2. Fold the Basic White Thick Card Base in half on the score line, and burnish it with a Bone Folder. The short side is the card front. On the right side edge make a pencil mark at 2-3/4". On the top and bottom, measure 1" from the right side and mark with a pencil. Line up the 1" mark and the 2-3/4" mark in the paper trimmer, and cut off the corner. Repeat on the other side. See the picture below of the card base for pencil marks.
3. Stamp flower image from Dainty Delight stamp set in Black Memento Ink onto the card front. Color the flowers with the Pretty In Pink Stampin' Write Marker and the leaves with the Shy Shamrock Stampin' Write Marker.
4. Cut Shy Shamrock Cardstock to 3-3/8" x 5-1/2". You are going to mark and cut this just as you did in step #2. On the right side edge make a pencil mark at 2-3/4". On the top and bottom, measure 1" from the right side and mark with a pencil. Line up the 1" mark and the 2-3/4" mark in the paper trimmer, and cut off the corner. Repeat on the other side. See the picture below of the card base for pencil marks. Adhere to the back of the card front.
5. Cut Designer Series Paper to 4-1/4" (maybe a hair less) x 5-1/2". Layer to the back of the card front behind the Shy Shamrock Cardstock.
6. Stamp greeting in Shy Shamrock ink onto 3" x 1/2" Basic White Cardstock. Cut the right side of the greeting at an angle to match the right-hand side layer cut. Adhere to the card front with Stampin' Dimensionals.
7. Embellish card with 2024-2026 In-Color Shimmer Gems.
8. On the inside, stamp the top part of the floral image in Memento Black Ink then color with the Stampin' Write Markers. If you want a sentiment, stamp in Shy Shamrock Ink.
9. The front of the Envelope was completed by stamping a portion of the same image in Black Memento Ink in the bottom left-hand corner of the Envelope Front then color with the markers. For the Envelope flap,
