## Wonderful World Sympathy Card

Wonderful World is a Stamp Set and Designer Series Paper you can select as your Free Item on a qualifying order during Sale-a-bration while supplies last. The flower stamps in this stamp set are so pretty and I thought this particular flower would make a warm and beautiful Sympathy Card. The Wonderful World Designer Series Paper is also wonderful and stunning, just as the name of it suggests. Who wouldn't love to receive card made with a combination of these two items? For the flower I used Stampin' Write Markers to ink the stamp so I could add both colors at the same time, such an easy thing to do, just remember to "huff" some warm air on it to moisten the ink right before stamping.

### Let's Get Started

1. Fold your Basic White Thick Card Base on the score line and burnish with Bone Folder.
2. Cut out both Starry Sky 4" x 5-1/2" panels with largest Deckled Rectangle. One will be used for the card inside.
3. Use the 2<sup>nd</sup> largest Deckled Rectangle to cut out Wonderful World Designer Series Paper, adhere to Starry Sky from Step 2. Tie Pear Pizzazz Ribbon around this panel and tie into a bow off to left side. Adhere to Card Front.
4. Stamp your Wonderful World Flower Stamp onto the 3" x 4-1/2" Basic White Cardstock. To do this color the stems and leaves with the Pear Pizzazz Stampin' Write Marker and the flower with the Orchid Oasis Stampin' Write Marker. Huff the stamp right before stamping to moisten ink. Hold stamp in place for 3 to 5 seconds without rocking when applying to paper. Cut this out with the 4<sup>th</sup> largest Deckled Rectangle Die.
5. With the 3<sup>rd</sup> largest Deckled Rectangle cut out the smaller Starry Sky panel. This piece is still a little too big for the panel and is taking up too much of the Wonderful World DSP so we

are going to cut some more off so we only have an 1/8" border. To do this position the stamped flower piece on this Starry Sky piece with an 1/8" border on the top and left side with removeable tape. Now position the 3<sup>rd</sup> largest Deckled Rectangle Die to have an 1/8" border on the bottom and right-hand side. Tape the die in place so it doesn't move when running through the Cut & Emboss Machine (see picture below).

6. Adhere the Stamped Flower panel to the re-sized Starry Sky pane. Using Dimensionals adhere this panel to Card Front.
7. Stamp the "With Sympathy" stamp from the Well Said (retired) Stamp Set to a piece of Basic White Cardstock in Orchid Oasis Ink. Cut out with the Stitched so Sweet Dies (retired) 2<sup>nd</sup> smallest die and adhere to card front with Dimensionals.
8. Add Embellishments to stamped flower panel. I used the Rhinestone Waves Basic Jewels (retired). If you don't have any blue or orchid oasis rhinestones use your Orchid Oasis Stampin' Blend to color a clear rhinestone. Alcohol markers are excellent for coloring your gems, they are also good for coloring white ribbons.
9. For the Card Inside, cut Basic White Cardstock with the 2<sup>nd</sup> largest Deckled Rectangle. Stamp your saying in Pear Pizzazz Ink. I used 2 stamps, one from Peaceful Moments and the other from Special Moments (retired). Stamp the flower the same way you did for card front.
10. Don't forget the stamp a flower in the bottom left corner of your Envelope front using the same method as for card front.

And now you have a beautiful Sympathy card when you need one.

Happy Stamping!
