I'm sharing with you today a card made with the Stampin' Up! Sailing Home Bundle and On The Horizon Stamp. I wanted to show you another way to use the New Horizon Designer Series Paper and just how versatile it is.

Let's Get Started

1. I started by stamping the lighthouse from the Sailing Home stamp set in Misty Moonlight onto a piece of vellum. You next need to let the ink dry by using the heat gun or letting it sit for a while. I stamped it the night before.
2. After the ink is dry then cut the lighthouse out with the matching die.
3. Fold the card base in half on the score line and burnish with bone folder.
4. Emboss the piece of Misty Moonlight card stock with the bark 3D embossing folder. Adhere to card base.
5. Stamping birds onto DSP in Memento Black ink. On this card I inked just 3 birds 2 different times and stamped them. Stamp Greeting in Misty Moonlight ink and grass in Garden Green Ink.
6. Adhere the Designer Series Paper to Basic Black card stock then adhere to card front.
7. Using glue dots adhere lighthouse to card front.
8. Add 3 pebbles from the Pebbles Enamel Shapes to card front.
9. Stamp Basic White with greeting in Misty Moonlight Ink and Birds in Memento Black ink. Adhere to card inside.
10. Don't forget the envelope. I stamped the lighthouse in Misty Moonlight to front corner. You could also adhere a piece of DSP to back envelope flap with glue.

And now you have a beautiful card to brighten someone's day.

Happy Stamping!
