It was fun coloring the card I'm sharing with you today, Hey Chuck Birthday Card. In the video I show you how I colored the card front. There is no rhythm or reason to the colors I used, I was just enjoying coloring. I decided to name my roosters. The one bent over is Bob and the other one is Crazy Bird and the inside one is Chuck, lol.

The DSP is from the Earthen Elegance Designer Series Papers. I hope you enjoyed this card as much as I enjoyed making and sharing it with you.
