Bag:

1. Find the front of each piece of soft sky cs (the score marks on the front look "neater/cleaner" than the back).
2. Stamp poinsettia image in versamark all over the front of both pieces. Fold on score marks.
3. **Assembly: important:** Fold the larger piece and apply a piece of tear & tape adhesive along the inside of the back flap as shown in photo below.
4. Attach the smaller piece to the tear and tape ****OVERLAPPING THREE - no more no less - OF THE Zig Zag/Chevron pieces**** as shown in photos below.
5. Now apply tear and tape to the longest flap and close pocket/bag as shown in photo below.
6. Last apply tear and tape to the bottom flap; fold over the back.

Flower:

1. I have punched 8 large, 4 medium, and 2 small cherry cobbler petals for you as well as two mossy meadow leaves and two delightful dijon flower centers. I also punched two 1" cherry cobbler circles.
2. First stamp all of the petals and leaves in VERSAMARK ink.
3. ****TOMBOW GLUE IS MESSY - CAREFUL NOT TO USE TOO MUCH AND LET IT OOZE OUT.**
4. Fold the 8 large and 4 medium petals in half. Place tombow liquid glue on a circle. Attach four large petals making an X or plus sign. Add a little more adhesive as needed and add the other 4 large petals criss-crossing the first four.
5. Add tombow liquid glue to the second circle and attach it on top of these 8 petals (it's okay if they smash down a little). Add tombow on top of the circle now and add the 4 medium petals criss-crossing the last 4 large.

6. Add a little tombow to the two small petals and add them (criss-cross). Add the two dijon centers with a tiny bit of tombow.
7. Wash your hands. ;)
8. Add the iced rhinestone using the paper piercing tool.
9. Add the leaves with a little tombow, and then when you attach them to your envelope later you can use a couple of dimensionals to secure them even more.

Other:

1. Stamp the poinsettia in cherry cobbler on the whisper white 3 x 4 7/8 insert as shown in photo below. Attach to cherry cobbler 3 1/4 x 5 1/8 cardstock. Fold white satin ribbon in 1/2 and staple to insert.
2. Stamp "a very merry..." in cherry cobbler on the whisper white scraps; punch out with the decorative label punch.
3. Use ribbon tweezers (non-SU!) to tie cherry cobbler striped grosgrain ribbon around. Add greeting with two dimensionals. Add flower with dimensionals.

1. Fold the 5 1/2 x 8 1/2 crumb cake card base in half. Stamp and sign the back in early espresso ink. Set aside.
2. I pre-cut a circle 3 1/4" circle in the 4 x 5 1/4 for you.
3. Use this circle to mark with a pencil on the 3 7/8 x 5 1/8 whisper white cardstock (just mark top/bottom/left/right).
4. Stamp the trees in early espresso within the circle.
5. Sponge night of navy as a sky.
6. Stamp the snow image and/or stars in WHISPER WHITE ink on both the crumb cake cardstock (that has the circle cut out of it) and the sponged night of navy cardstock. You will not see it on the navy at first, but it will magically appear later! ***Remember whisper white ink takes a few seconds to dry AND that you need to ink GENTLY on the white ink pad.**
7. On the whisper white scraps, stamp the greeting, polar bear, car, and tree in basic black ink. HEAT SET THE INK. Hand cut out the images. Color in the car and tree with markers (garden green, smoky slate, and early espresso). Add dazzling diamonds glitter to the bear: apply 2-Way glue to the bear; place him flat in the glitter; press; pick up; thump off excess.
8. Assembly: attach the stamped whisper white cardstock to the crumb cake with the circle cut out. THEN TIE THE LINEN THREAD AROUND these pieces - use ribbon tweezers (non-SU!) to tie a knot.
9. Attach all 3 hand cut out images with dimensionals.
10. Attach to crumb cake card base.

2. Stamp greeting first on bottom of 3 3/4 x 5 in chocolate chip.
3. Stamp leaves three times as shown in sample in chocolate chip.
4. Stamp splatter image in pool party ink 3-4 times. Attach to the pool party 4 x 5 1/4 cardstock.

6. Use the silicone craft sheet to add adhesive to the back of the acorn tops; attach them to the acorns. Add both to the card with dimensionals.
7. Add a rhinestone with the paper piercing tool.
