1. Fold the 5 1/2 x 8 1/2 Crumb Cake card base in half. I like to stamp the back with a stamp from I Stamped This and sign my name. Set aside.
2. Emboss the 4 x 5 1/4 Crumb Cake cardstock with the Cable Knit Dynamic embossing folder (this folder only requires ONE cutting pad). Attach to card base.
3. Die cut the sprigs from the Pretty Pines Thinlits Dies in Garden Green (3) and Wild Wasabi (2). I recommend the Precision Base Plate with the new Big Shot Platform.
4. Die cut four of the larger leafy image in Garden Green.
5. Die cut the pine cones from Tip Top Taupe and Crumb Cake cardstock. The Pretty Pines Thinlits have several shapes of pine cones to choose from - your pick!
6. And, die cut a circle approximately 2 1/2" with the Layering Circles Framelits from the This Christmas Specialty Paper.
7. On a 2 x 5 1/4 piece of Real Red cardstock, punch one end with the Scalloped Tag Topper Punch. Emboss the snow image from Christmas Pines in White Embossing Powder (rub a dryer sheet on the red cardstock to remove static, stamp in VersaMark OR Whisper White ink, scoop stamped cardstock under embossing powder, turn upside down and thump off excess powder, heat - when one section is heated MOVE ON to the next section - don't over heat; use a clothes pin to hold the cardstock so you don't get burned).
8. Thread some Kraft Rope Trim through the tag.
9. Stamp "may the simple joys..." in Real Red ink on a scrap of Crumb Cake cardstock, punch out with the Decorative Label Punch.
10. Now you have all of your parts and are ready to assemble!
11. Attach the tag and circle to the card with Dimensionals. Add the sprigs and leaves (I recommend Fine-Tip Glue or Snail Adhesive along with the Silicone Craft Sheet). Attach the pine cone pieces together and attach to the card. Add your greeting with Dimensionals.
12. \*See additional tutorials: Precision Base Plate Video, Big Shot Tips, Fine-Tip Glue vs. Silicone Craft Sheet Video.
