Today's card was created using the **Sunny Days 12" x 12" Designer Series Paper** and the **Bright Skies Bundle**. I also borrowed a sentiment from the **Hot Air Balloon Stamp Set**. The Sunny Days 12" x 12" Designer Series Paper is a Sale-A-Bration item which means you can earn this pack of beautiful paper for free during Sale-A-Bration by making a \$50 purchase. Let's take a look at this simple and fun easel card!

## Supplies:

- Sunny Days 12" x 12" Designer Series Paper (Sale-A-Bration item)
- Bright Skies Bundle
- Hot Air Balloon Stamp Set
- Opaque Faceted Gems (Sale-A-Bration item)
- Cardstock: Basic White, Crushed Curry, Shaded Spruce
- Ink: Tuxedo Black Memento ink, Crushed Curry, Pool Party

### 1. Card Cuts:

- Card Base - Cut 1 Crushed Curry cardstock to 11" x 4-1/4". Score at 2-3/4" and 5-1/2".

- Mat - Cut 1 Shaded Spruce cardstock to 5-1/2" x 4-1/4"
  - DSP Panel - Cut 1 rain and cloud print designer series paper to 5-1/4" x 4"
  - Square Mats - Cut 2 Shaded Spruce cardstock to 3-1/8" x 3-1/8"
  - Square Panels - Cut 2 Basic White cardstock to 3" x 3"
  - Outside Sentiment Label - Cut 1 Basic White cardstock to 2-3/4" x 7/8"
  - Outside Sentiment Label Mat - Cut 1 Shaded Spruce cardstock to 2-7/8" x 1"
  - Scrap of Basic White cardstock for stamping and die cutting cloud
  - Inside DSP Panel - Cut 1 Pool Party diagonal print designer series paper to 5-1/4" x 4"
  - Inside Sentiment Label - Cut 1 Basic White cardstock to 2" x 3/4"
  - Inside Sentiment Label Mat - Cut 1 Shaded Spruce cardstock to 2-1/8" x 7/8"
2. Adhere the rain and cloud designer series paper print measuring 5-1/4" x 4" to the Shaded Spruce mat measuring 5-1/2" x 4-1/4". Adhere this unit to the front of the card. **Caution: Because this is an easel card, you only want to adhere the panel unit to the lower half of the card front which is from the bottom edge of the card to the first score line at 2-3/4".** I applied liquid glue directly to the 2-3/4" front section of the card base, then adhered the panel unit to the card base. Be sure that the panel unit lines up with the card edges on the top, bottom, left and right. Using liquid glue gives you a little wiggle room, if needed.

3. On a scrap piece of white cardstock, stamp the small cloud image from the Bright Skies Stamp Set in Tuxedo Black Memento ink. Use the coordinating die from the Bright Skies Dies to cut out the cloud. Set aside for now.
4. From the Bright Skies Stamp Set, stamp the sentiment "Brighter Skies are on their way" in Crushed Curry ink onto the outside white sentiment label. Adhere the label to its Shaded Spruce mat. Set aside for now.
5. On one of the white 3" x 3" squares, stamp the rain image one time in Pool Party ink on the lower center half of the square. Adhere the white square to one of the square Shaded Spruce mats. Then, adhere the square unit to the center of the card front using Stampin' Dimensionals. Adhere the sentiment label to the square unit using a combination of liquid glue and Stampin' Dimensionals. Position the sentiment label just above the stamped "rain" with the left edge of the sentiment label lined up to the left edge of the cloud and rain designer series paper. Adhere the die cut cloud just above the sentiment label using Stampin' Dimensionals.

6. On the inside of the card, adhere the diagonal striped piece of designer series paper using liquid glue.
7. On the remaining white 3" x 3" square, stamp several clouds in Pool Party ink towards the top of the panel and stagger the clouds. Then partially stamp the sun onto the upper right corner of the square. Adhere the square to its Shaded Spruce mat. Adhere the square unit to the inside of the card so that there is approximately a 1/2" around the square on the left, top and right.

8. From the Hot Air Balloon Stamp Set, stamp the sentiment "Hang in there" onto the inside sentiment label in Crushed Curry ink. Adhere the sentiment to its Shaded Spruce mat. Then adhere the inside sentiment to the inside bottom of the card base using Stampin' Dimensionals and position the sentiment so that it is centered from left to right with the bottom edge of the sentiment approximately a 1/2" from the bottom of the card edge. Note that it is important to adhere this sentiment label using Stampin' Dimensionals as this allows the sentiment to become the "stop" for the easel portion of the card.
9. Adhere several Pool Party Opaque Faceted Gems to the square on the card front.
10. Stamp the small cloud image in Pool Party ink onto the envelope front, then partially stamp the sun image in Crushed Curry ink just above the cloud.
11. Adhere the coordinating piece of designer series paper to the envelope flap and use a small pair of scissors or paper snips to trim the excess paper away from the flap.
