This card was created using the Abigail Rose 12" x 12" Designer Series Paper, the Cottage Rose Stamp Set, and the Fabulous Frames Dies. I stuck with a color palette of Early Espresso, Crumb Cake, Petal Pink and Soft Succulent, accented by a gold foil frame.

### 1. Card Cuts:

- Card Base - Cut 1 Early Espresso cardstock to 8-1/2" x 5-1/2", score at 4-1/4"
- Card Panel - Cut 1 Petal Pink cardstock to 3-7/8" x 5-1/8"
- DSP - Cut 1 from the Abigail Rose DSP (flowers in Crumb Cake) to approximately 4-3/4" x 3-3/8" (Note: the DSP panel should be slightly larger than the gold frame opening)
- Gold Frame Die Cut - Cut 1 Gold Foil Sheet to approximately 4" x 5-1/4"
- Inside Panel - Cut 1 Basic White cardstock to 5-3/8" x 4-1/8"
- Sentiment Label - Cut 1 Basic White cardstock to 2-1/4" x 1"
- Sentiment Label Mat - Cut 1 Early Espresso cardstock to 2-1/2" x 1-1/4"
- Envelope Flap - Cut 1 coordinating DSP to 6" x 2-3/4"

2. Using the Fabulous Frames Dies, die cut the largest frame from the Gold Foil panel.

3. For the DSP panel and the envelope flap DSP, use the light shade of Petal Pink and Soft

Succulent Stampin' Blends to color in the flowers, leaves and stems. **Hint: Using the bullet tip of the Stampin' Blends will give you greater control in small areas.** Use the dark shade of the Stampin' Blends to darken areas of the petals and leaves that would be in shadow.

4. Once the DSP panel is completely colored, apply small drops of glue around the edges of the panel and adhere the gold frame on top of the panel. The gold frame should completely cover the edges of the DSP panel. Adhere the frame/DSP unit to the Petal Pink panel. Use Stampin' Dimensionals to adhere this unit to the front of the card base.
5. Stamp the sentiment "Feel better real soon" in Early Espresso ink onto a scrap of white cardstock. Cut a banner end on the right side of the sentiment label. Adhere the sentiment label to the Early Espresso sentiment label mat, lining up the top, bottom and left edges so there is an equal amount of space on all sides. With scissors, cut a banner end on the Early Espresso mat, mirroring the white banner. Adhere the sentiment label unit to the card front using Stampin' Dimensionals. I adhered the sentiment label towards the bottom of the card and centered.
6. Tie a small bow using Soft Succulent Open Weave Ribbon and adhere to the top left corner of the sentiment label using a Mini Glue Dot.
7. On the inside white panel, partially stamp the large flower from the Cottage Rose stamp set in Crumb Cake ink in the lower right corner of the panel. Stamp this same image in the lower right front of the envelope. Color the images using Petal Pink and Soft Succulent Stampin' Blends. **Caution: When coloring the image on the envelope, slip a scrap piece of paper or cardstock inside the envelope to avoid bleed through.**
8. Adhere the inside white panel to the inside of the card base.
9. Adhere the previously colored piece of DSP to the envelope flap and fussy cut around the flap to finish off the envelope.

This completes the card! The richness of the Early Espresso cardstock and gold frame go well with the softer colors of Petal Pink and Soft Succulent. I hope you give this card a try!

Products used to create this card are included on the next page, along with links to my online store.
