Today's quick and easy card was created using the **Frosted Forest Bundle** and the Thoughtful Journey 6" x 6" Designer Series Paper. This card worked up in a matter of minutes and uses minimal supplies! The Frosted Forest Bundle will be available on July 3 as an Online Exclusive in the Online Store. This bundle also comes with decorative masks, but I only used the stamp set and dies for this particular card. Let's take a look!

Supplies:

- Frosted Forest Bundle (available on July 3 in the Online Store)
- Thoughtful Journey 6" x 6" Designer Series Paper
- Nested Essentials Dies
- Transparent Adhesive-Backed Dots
- Petunia Pop Bordered Ribbon
- Cardstock: Blackberry Bliss, Basic White
- Ink: Blackberry Bliss, Misty Moonlight

- Card Base - Cut 1 Blackberry Bliss cardstock to 8-1/2" x 5-1/2", score at 4-1/4"
 - Mat - Cut 1 Basic White cardstock to 5-3/8" x 4-1/8"
 - DSP Panel - Cut 1 Thoughtful Journey DSP to 5-1/4" x 4"
 - Die Cut Tree Silhouette - Cut 1 Blackberry Bliss cardstock to approximately 5-1/4" x 3"
 - Sentiment Label - Cut 1 coordinating piece of the Thoughtful Journey DSP to approximately 2-1/2" x 1-3/4"
 - Sentiment Label Mat - Cut 1 Blackberry Bliss cardstock to approximately 2-3/4" x 2"
 - Inside Panel - Cut 1 Basic White cardstock to 5-3/8" x 4-1/8"
 - Envelope Flap - Cut 1 coordinating piece of designer series paper to 6" x 2-1/4"
2. I chose a piece of 6" x 6" piece of paper from the Thoughtful Journey Designer Series Paper pack with trees in the background. I cut this panel down to 5-1/4" x 4" so that the scene on the paper was somewhat centered. This panel was then adhered to a white mat, then adhered to the card front.
 3. Using the Frosted Forest Dies, I die cut the silhouette of the trees from a piece of Blackberry Bliss cardstock. The bottom straight edge of the die was lined up with the bottom edge of the cardstock. I used a pair of paper snips to free the die cut on the left and right sides, then adhered the die cut to the bottom of my card front. The bottom edge of the die cut lines up with the bottom edge of the designer series paper panel.

4. From the same designer series paper pattern, I stamped the sentiment in Blackberry Bliss ink. I used the Nested Essentials Dies to cut out the sentiment and used the next size up of the rectangles to die cut a mat from Blackberry Bliss cardstock. I adhered the sentiment label to its mat. Before adhering the label to the card front, I used a small amount of Stampin' Seal on the upper right corner of the card front and adhered a length of Petunia Pop Bordered Ribbon folded in half to the Stampin' Seal. The sentiment label was then adhered over the ribbon using Stampin' Dimensionals.
5. On the inside panel I stamped the small pine tree image in Misty Moonlight ink, then second generation stamped the same image two more times. The panel was adhered to the inside of the card.

6. I repeated stamping and second generation stamping the pine tree image onto the envelope front in Misty Moonlight.
7. A coordinating piece of designer series paper was adhered to the envelope flap and I used a pair of paper snips to trim the excess paper away from the flap.
8. Three Blackberry Bliss Transparent Adhesive-Backed Dots were adhered to the card front to finish up the project.
