- DSP Panel - Cut 1 plaid print designer series paper to 5-1/4" x 4"
  - Die Cut Rectangle - Cut 1 Parakeet Party cardstock to approximately 4" x 2-1/2"
  - Sentiment Label - Cut 1 Parakeet Party cardstock to 3" x 3/8"
  - Scraps of Basic White cardstock for stamping and die cutting flowers and flower pots
  - Scraps of Basic Black and Pecan Pie for die cutting cart bed, and cart wheels and supports
  - Inside Panel - Cut 1 Basic White cardstock to 5-1/4" x 4"
  - Envelope Flap - Cut 1 piece of coordinating designer series paper to 6" x 2-1/4"
2. Adhere the DSP Panel to one of the Blackberry Bliss mats, then adhere this unit to the card front.
3. Begin by stamping and die cutting the flowers and flowerpots
- Use the two-step stamps from the Flower Cart Stamp Set to stamp two sets of flowers and leaves onto Basic White cardstock (for a total of four stamped flowers with leaves). I found it helpful to first stamp the leaves, then line up the stamp for the flowers and stamp.
    - Stamp two sets of leaves in Parakeet Party ink, then stamp the flowers in Berry Burst ink
    - Stamp two sets of leaves in Pretty Peacock ink, then stamp the flowers in Blackberry Bliss ink
    - Use the coordinating die from the Flower Cart Dies to cut out
  - Stamp four flowerpots in Gray Granite ink then use the coordinating die to cut out
  - Adhere the flowers to the top of a flower pot
4. Use the Flower Cart Dies to cut out a cart base from Pecan Pie cardstock. This die cuts out two pieces. Adhere the front of the base to the back of the base. Apply adhesive only to the bottom and sides of the back piece so that you will be able to slip your flowerpots into the cart base. Then die cut the wheels and supports. Note that the one die in the set will cut out all pieces for the wheels and supports. Referring to the photos, adhere the wheels and support pieces to the cart base. Note that one of the wheels sits partially behind (or on the back) the base. Insert three of the flower pots into the cart and adhere using a small drop of liquid glue.

5. Using the Everyday Details Dies, die cut a rectangle from Parakeet Party cardstock. Using the pebble stamp, stamp this image three times along the bottom of the rectangle in Gray Granite ink. This provides the "ground" for the cart to sit on. Refer to photos for placement.
6. Adhere the cart to the Parakeet Party rectangle and position the cart so that the wheels and stand are sitting onto the Gray Granite stamped path. The tops of the flowers will slightly hang over the top of the rectangle. Then, adhere the rectangle to the card front using Stampin' Dimensionals. Position the rectangle towards the top of the card front and center from left to right.
7. Adhere the remaining flowerpot to the rectangle using Stampin' Dimensionals and position the flowerpot in front of the cart to the right.
8. Stamp the sentiment "happiest birthday to you" in Blackberry Bliss ink onto the sentiment label. Stamp the sentiment slightly to the left of the label then use a pair of paper snips to cut a banner end on the right side of the label. Adhere the label to the card front using Stampin' Dimensionals and position the label towards the bottom of the card front and to the right.
9. On the inside panel, stamp the sentiment "have a lovely day" in Blackberry Bliss ink. On the lower corner of the panel, stamp the leaves, flowers and flowerpot. Stamp the leaves in Parakeet Party ink, stamp the flowers in Berry Burst ink, and stamp the flowerpot in Gray Granite ink. Adhere the panel to the remaining Blackberry Bliss mat, then adhere this to the inside of the card.

10. Stamp the same leaves, flowers and flowerpot onto the lower corner of the envelope front.
11. Adhere the piece of coordinating designer series paper to the envelope flap and use a small pair of scissors or paper snips to trim the excess paper away from the flap.
12. Tie a small bow from Parakeet Party Metallic Woven Ribbon and adhere the bow to the flowerpot sitting in the center of the cart. I used a Mini Glue Dot to attach the bow.
13. Adhere several Brushed Brass Butterflies to the Parakeet Party rectangle on the card front. Adhere one small butterfly near the flowerpot on the inside panel to finish up the card.
