I love creating scenes when making cards...they tell a story! For today's card I used the adorable Playful Ghosts Stamp Set along with the tree image from the Frosted Forest Stamp Set. This little trick-or-treater is on his way to the next house!

Supplies:

- Playful Ghosts Stamp Set
- Frosted Forest Stamp Set
- Splendid Autumn 6" x 6" Designer Series Paper
- 2" Circle Punch
- Large Check Ribbon
- Blending Brush
- Cardstock: Basic Black, Peach Pie, Basic White, Lemon Lolly
- Ink: Night of Navy, Tuxedo Black Memento Ink
- Stampin' Blends: Pebbled Path, Smoky Slate, Daffodil Delight, Peach Pie, Real Red, Cherry Cobbler, Granny Apple Green, Petal Pink

1. Card Cuts:

- Card Base - Cut 1 Basic Black cardstock to 8-1/2" x 5-1/2", score at 4-1/4"

- Outside & Inside Mats - Cut 2 Peach Pie cardstock to 5-3/8" x 4-1/8"
 - DSP Panel - Cut 1 Fresh Freesia print from the Splendid Autumn Designer Series Paper to 5-1/4" x 4"
 - Moon - Cut 1 Lemon Lolly cardstock to 2-1/2" x 3"
 - Trick-or-Treater and Pumpkins - Scraps of Basic White cardstock
 - Inside Panel - Cut 1 Basic White cardstock to 5-1/4" x 4"
 - Envelope Flap - Cut 1 piece of coordinating designer series paper to 6" x 2-1/4"
2. Prepare the Fresh Freesia Designer Series Paper Panel:
- Use a Blending Brush to blend Night of Navy ink across the top and sides of the panel. Make the ink darker towards the top of the card.
 - Use the cloud stamp from the Playful Ghosts Stamp Set and stamp three clouds across the top of the panel using Night of Navy ink.
 - Use the tree image from the Frosted Forest Stamp Set to partially stamp a single tree on the left side of the panel in Tuxedo Black Memento Ink. The tree trunk should extend all the way to the bottom of the panel.
 - Use the light shade of a Pebbled Path Stampin' Blend to color in the tree's trunk and branches. Use a Daffodil Delight Stampin' Blend to color in all of the leaf areas. Then use a Cherry Cobbler Stampin Blend to dot in around the yellow you just colored. Be sure to leave some yellow showing through!
 - Use the dark shade of a Pebbled Path Stampin' Blend to draw in a hill. Be sure to draw around the tree trunk. The hill should be darker than the tree trunk.
 - Adhere the colored panel to one of the Peach Pie mats, then adhere this to the card front using liquid glue or Stampin' Seal.

3. Use the 2" Circle Punch to punch out a moon from Lemon Lolly cardstock. Stamp the "Trick or Treat" sentiment in the center of the circle in Tuxedo Black Memento ink. Without reinking your Blending Brush, lightly blend a little Night of Navy ink around the edges of the circle and here and there across the middle of the circle. Adhere the moon/sentiment to the card front using Stampin' Dimensionals. Position the moon towards the upper right of the card.
4. On scrap pieces of white cardstock, stamp the little Dracula ghost and the pumpkins in Tuxedo Black Memento ink. Color the ghost's face using a Petal Pink Stampin' Blend. Color his cape using Smoky Slate Stampin' Blends and color his costume using Real Red Stampin' Blends. Use Peach Pie, Pebbled Path and Granny Apple Green Stampin' Blends to color in the pumpkins. Use a small pair of scissors or paper snips to fussy cut around the images. Adhere the ghost towards the bottom left of the card front using Stampin' Dimensionals. Adhere the pumpkins next to the ghost using liquid glue.
5. On the inside panel, stamp the "Happy Halloween" sentiment in Tuxedo Black Memento ink. Partially stamp the tree image on the lower left corner of the panel in Tuxedo Black Memento ink. Color in the tree like you did for the card front. Stamp the pumpkins along the bottom of the panel and to the right of the tree trunk. Color as you did for the card front. Adhere the panel to the remaining Peach Pie mat, then adhere the panel to the inside of the card.

6. Use Tuxedo Black Memento ink to stamp the pumpkins onto the envelope front and stamp the bat image two times above the pumpkins. Color the pumpkins as you did before using Stampin' Blends.
7. Adhere the coordinating piece of designer series paper to the envelope flap and use a small pair of scissors or paper snips to trim the excess paper away from the flap.
8. Tie a small bow using Large Check Ribbon and adhere the bow to the left of the moon using Mini Glue Dots.
