- Paper Trimmer

## 1. Card Cuts:

- Card Base - Cut 1 Pumpkin Pie cardstock to 8-1/2" x 5-1/2", score at 4-1/4"
- Mat - Cut 1 Early Espresso cardstock to 5-3/8" x 4-1/8"
- Panel - Cut 1 Basic White cardstock to 5-1/4" x 4"
- Bottom Mat - Cut 1 Early Espresso cardstock to 4-1/8" x 1-3/4"
- Bottom Panel - Cut 1 Copper Clay Tartan Foil Specialty Designer Series Paper to 4-1/8" x 1-1/2"
- Sentiment Label - Use the 2" Circle Punch to punch 1 Basic White circle and 1 Pumpkin Pie circle
- Inside Panel - Cut 1 Basic White cardstock to 5-3/8" x 4-1/8"
- Envelope Flap - Cut 1 piece of coordinating Tartan Foil paper to 6" x 2-1/4"

2. Use the sunflower Abundant Beauty Masks to ink blend the flowers and leaves. The masks are numbered 1-4. Secure the 5-1/4" x 4" white panel to a protected work surface. I use a piece of grid paper to protect my work surface. **Note: You will want to use a different Blending Brush for each color family. You can use a piece of scratch paper to remove ink from your brushes between colors - for example, between blending Daffodil Delight and Pumpkin Pie.**

- Lay Mask #1 over the panel so that the notch in the mask is on the upper left and the largest sunflower is towards the top of the white panel. Secure the corners of the white panel and mask corners to your work surface so they won't slip. **Tip: It is helpful to mark the edges of the mask on your scratch paper or grid paper to help you line up the remaining masks.**
- Using Blending Brushes, blend Daffodil Delight ink over the flowers, then blend Pumpkin Pie ink over the tips of the flower petals.
- Lay Mask #2 over the panel and using a Blending Brush, blend Granny Apple Green ink over the mask to create the leaves. Then, blend Mossy Meadow ink over the edges of the leaves to darken them around the edges slightly.
- Lay Mask #3 over the panel. Blend Pecan Pie ink over the mask.
- Lay Mask #4 over the panel. Blend Early Espresso ink over the mask.
- When finished blending, rinse the masks under warm water until clean then pat dry with a paper towel.

3. Adhere the blended white panel to the Early Espresso mat, then adhere the panel to the card front.
4. Adhere the piece of Copper Clay Tartan Foil Specialty Designer Series Paper to the Bottom Mat of Early Espresso, making sure there is an equal reveal of the Early Espresso on all edges. Adhere this unit to the bottom of the card front and line up the left, right and bottom edges to the Early Espresso mat previously adhered to the card front.
5. Use the 2" Circle Punch and punch out one white and one Pumpkin Pie circle. Stamp the sentiment "Autumn teaches us that change can be Beautiful" in Pumpkin Pie ink onto the white circle. Adhere the white circle to the Pumpkin Pie circle and leave a portion of the Pumpkin Pie circle showing towards the top left.
6. On the top left of the Tartan Foil panel, apply a small amount of Stampin' Seal to the foil panel. Adhere a length of Linen Thread to the area of Stampin' Seal and loop the thread back and forth several times and adhere to the Stampin' Seal..
7. Adhere the sentiment label to the card front using Stampin' Dimensionals and place over the thread previously adhered to the card front.
8. On the inside panel, stamp the sentiment "I'm thankful" in Pumpkin Pie ink. Use the 4 sunflower masks to partially blend two sunflowers and a leaf onto the lower portion of the
