I have something a little different for you today. I created a banner using the **Joy of Noel Bundle** ! The banner measures approximately 18" from panel to panel, plus 12" of extra twine on each end for hanging your banner. I had a lot of fun creating this project! This banner could be hung from a fireplace, on a tree, in a window or a wall as a holiday decoration. The **Joy of Noel Bundle** is part of the **Joy of Christmas Suite** in the Sept-Dec 2023 Mini Catalog which is available for orders beginning today! Let's get started!

- Cut 6 Basic Black to 2-3/4" x 2-3/4"
 - Scrap of Basic White for stamping and die cutting the NOEL, berry sprigs and holly leaves
 - Scrap of Mossy Meadow cardstock for die cutting pine boughs
2. Assemble 6 card units. Adhere a Parakeet Party square to a Cherry Cobbler square. Adhere this to a Silver Foil square, then adhere this unit to a Basic Black square. Repeat five more times. On each of the six square units you will need to punch two holes. Lining up each square on a piece of grid paper (with measurements) or against a ruler, make a light pencil mark at 1" and 1-3/4" along the top of the square. Punch the holes at the top of the square units at these marks. When punching the holes you want to punch on the black cardstock and halfway in between the top edge of the square unit and the edge of the Silver Foil cardstock.

3. Stamp and/or die cut the following. Follow any additional directions provided.
- Stamp "NOEL" in Cherry Cobbler Ink onto a scrap of Basic White cardstock. Use the coordinating die to cut out.
 - Stamp 2 berry sprigs in Pecan Pie ink. Use a Cherry Cobbler Stampin' Blend to color in the berries on the sprigs. Brush Wink of Stella over the berries after they have been colored. Use the coordinating die to cut out the sprigs.
 - Stamp 4 holly leaves onto Basic White cardstock using Granny Apple Green ink. Use a Parakeet Party Stampin' Blend to color in the holly leaves. Use the coordinating dies to cut out.
 - Die cut 4 pine boughs from Mossy Meadow cardstock.
4. On one of the square units, arrange and adhere 2 pine boughs, 1 berry sprig and 2 holly leaves. Repeat on a second square unit for a total of 2 end units. Refer to photos for placement of die cut pieces. Use a length of Black & White Gingham Ribbon to tie 2 small

bows. Adhere a bow to each end unit using a Mini Glue Dot.

5. Cut a length of Threaded Twine approximately 42" long. To assist in threading the twine through the punched holes on the squares, temporarily wrap a piece of scotch tape around one end. Thread the twine through the punched holes on each square unit. Tie a knot at each end of the twine, if desired.
