- Heat Tool
- Adhesives: Multipurpose Liquid Glue, Mini Glue Dots, Stampin' Dimensionals
- Paper Trimmer
- Stampin' Cut & Emboss Machine

1. Card Cuts:

- Card Base - Cut 1 Granny Apple Green cardstock to 8-1/2" x 5-1/2", score at 4-1/4"
- Panel #1 - Cut 1 Granny Apple Green cardstock to 5-3/8" x 4-1/8"
- Panel #2 - Cut 1 Starry Sky cardstock to 4-3/4" x 3-1/2"
- Scraps of Pecan Pie, Lemon Lolly, Mossy Meadow, Granny Apple Green and Vellum for stamping and/or die cutting
- Sentiment Label - Cut 1 Lemon Lolly cardstock to approximately 1-3/4" x 1-3/8"
- Inside Panel - Cut 1 Basic White cardstock to 5-3/8" x 4-1/8"

2. Emboss Panel #1 using the Fern 3D Embossing Folder then adhere the embossed panel to the card front.

3. Stamp and/or die cut the following and follow any additional directions:

- Stamp the grass image onto scraps of Granny Apple Green cardstock using Mossy Meadow ink. Use the coordinating dies to cut out the images.
- Stamp the tall leaf image onto a scrap of Mossy Meadow cardstock using Mossy Meadow ink. Die cut the image using the coordinating die.
- Die cut the large, detailed firefly body from Pecan Pie cardstock.
- Die cut the firefly tail from Lemon Lolly cardstock.
- Die cut the firefly's wings from a piece of dotted Vellum Basics paper.
- Use a black marker to color the firefly's legs and antenna. Adhere the firefly tail to the body of the firefly. Use a Mini Glue Dot to attach the wings to the firefly's body.

4. The firefly will sit on the Starry Sky panel (Panel #2) towards the upper right of the panel. Using VersaMark ink, stamp the firefly "trail" image just below where the firefly will sit. Sprinkle white embossing powder over the trail and heat set using the Heat Tool. Use a Lemon Lolly Stampin' Blend to color the white embossing of the trail in yellow.

5. On the Starry Sky panel, adhere the two grass pieces and the tall leaf piece to the panel using liquid glue. Refer to photos for placement. It is helpful if you lay the panel onto the card front first to get an idea of placement. I have the leaf image hanging slightly over the Starry Sky panel.
6. Using White Pigment Ink, use the end of a stylus and dot white onto the Starry Sky panel to mimic stars in the sky. Although it doesn't show up in the photographs, I also dotted Wink of Stella all over the panel and brushed the grass and leaf images with Wink of Stella, as well as the Firefly's wings. Adhere the Starry Sky panel to the card front.
7. Adhere the Firefly to the Starry Sky panel using Stampin' Dimensionals. The bottom of the Firefly should meet with the top of the embossed light trail.
8. Stamp the sentiment "Follow your dreams" using Starry Sky ink onto a scrap of Lemon Lolly cardstock. Use the oval sentiment label die from the All That Dies set to cut out. Adhere the sentiment label onto the lower left of the Starry Sky panel using Stampin' Dimensionals. The sentiment label gets adhered over the bottom of the grass and leaf images.
9. On the inside panel, stamp the additional sentiment "You are all kinds of Wonderful!" using Starry Sky ink. Stamp the grass image onto the lower left of the panel using Mossy Meadow ink. Above the grass image, stamp a small firefly in Pecan Pie ink, then stamp the "glow" in Lemon Lolly ink. Adhere the panel to the inside of the card.

10. On the lower left of the envelope front, stamp the same grass image in Mossy Meadow ink. Stamp the small firefly in Pecan Pie ink just above the grass. Stamp the firefly's "glow" in Lemon Lolly ink. Stamp the small firefly and glow again on the envelope flap.
11. Adhere several Iridescent Rhinestones Basic Jewels to the card front on the Starry Sky panel.

The card is complete! I used "all of the things" to make this card but I sure did have fun creating this fun nighttime scene! I hope you give it a try!
