## 1. Card Cuts:

- Card Base - Cut 1 Pool Party cardstock to 8-1/2" x 5-1/2". Score along the long edge at 1-1/2" and 4-1/4"
- DSP Panels
  - Cut 1 Poppy Parade, Garden Green and white diagonal stripe from the Snowy Scenes Designer Series Paper to 5-3/8" x 2-5/8"
  - Cut 1 diagonal stripe (same pattern as above) to 5-3/8" x 1-3/8"
  - Cut 1 candy cane print from the Snowy Scenes Designer Series Paper to 5-3/8" x 1-1/2"
- Sentiment Label/Snow Globe Base - Cut 1 Petal Pink snowflake print from the Snowy Scenes Designer Series Paper to approximately 3" x 1-1/4"
- Snow Globe - Cut 1 Basic White cardstock to approximately 3" x 2-1/2"
- Penguin, Hat, Pine Tree - Scraps of Basic White cardstock
- Sparkly Snowflakes - Scraps of White Glimmer Specialty Paper
- Inside Panel - Cut 1 Basic White cardstock to 5-3/8" x 2-5/8"
- Envelope Flap - Cut 1 coordinating piece of designer series paper to 6" x 2-1/4"

## 2. Assembling the Card Base:

- Fold the 4-1/4" scoreline on the card base as you normally would (as a mountain fold). Then fold the 1-1/2" score line as a mountain fold also, folding into the inside of the card base.
- Adhere the diagonal stripe print designer series paper panel onto the card front.
- Adhere the 5-3/8" x 1-3/8" diagonal stripe print designer series paper to the 1-1/2" piece of the card base on the inside of the card.
- With the card base open, use a circle punch to partially punch out a circle shape from the center of the long edge of the 5-3/8" x 1-1/2" flap.
- With the card base still open, apply Tear & Tape or liquid glue to ONLY the short 1-1/2" ends of this section and adhere down. This forms the gift card holder!
- With the card base still open, adhere the 5-3/8" x 1-1/2" candy cane strip designer series paper panel to the right side of the inside of the card base. Make sure that there is a 1-1/6" reveal around the top, right and bottom of this panel.

### 3. Prepare the Pieces for the Card Front:

- Using the Snowy Wonder Stamp Set and white cardstock, stamp the penguin image in Early Espresso ink, stamp the hat in Poppy Parade ink, and stamp the large pine tree in Garden Green ink. Use the coordinating dies to cut out the images.
- Use a Pumpkin Pie Stampin' Blend to color in the penguin's nose and feet.
- Use a Blender Pen and Early Espresso ink to slightly darken the brim of the hat.
- Adhere the hat to the top of the penguin's head using a small amount of liquid glue.

### 4. From the Snowy Wonder Stamp Set, stamp the "Season's Greetings" sentiment onto a piece of the Petal Pink snowflake print from the Snowy Scenes Designer Series Paper. Important Note: The sentiment needs to curve in order to fit onto the base of the snow globe. I placed the Snowy Wonder snow globe base die on top of the designer series paper and used the die as a guide to curve the stamp on my stamp block until I had the correct curve for the sentiment. The sentiment was then stamped in Poppy Parade ink and die cut using the snow globe base die.

### 5. Use the Snowy Wonder Dies to cut out 1 snow globe from white cardstock. Use a Sponge Dauber to blend Pool Party ink around the edges of the die cut snow globe. Dust Wink of Stella across the die cut snow globe. Adhere the snow globe base/sentiment label to the snow globe. Arrange the penguin (with hat) and the pine tree inside of the snow globe and secure with liquid glue. Adhere the snow globe towards the bottom of the card front using

Stampin' Dimensionals. Add three White Glimmer Specialty Paper snowflakes above the snow globe.

6. From the Snowy Wonder Stamp Set, stamp snowflakes towards the upper left of the inside panel in Pool Party ink. Use the Greetings of the Season Stamp Set to stamp the "For You" sentiment in Poppy Parade ink. Stamp the penguin image towards the lower left of the panel in Early Espresso ink. Use a Pumpkin Pie Stampin' Blend to color in the penguin's nose and feet. Use a Pool Party Stampin' Blend to draw the ground beneath the penguin. Adhere the panel to the left of the candy cane print.

7. On the envelope front, stamp the penguin in Early Espresso ink and color in the nose and feet using a Pumpkin Pie Stampin' Blend. Use a Pool Party Stampin' Blend to color in the ground beneath the penguin. Stamp snowflakes above the penguin in Pool Party ink.
8. Adhere a coordinating piece of designer series paper to the envelope flap and use a small pair of scissors or paper snips to trim the excess paper away from the flap.
9. Use Wink of Stella to dust the snowflakes on the inside of the card and the envelope front to give them a little sparkle.
10. Tie a small knot bow using Pool Party Pompom Ribbon. Adhere the bow towards the upper right of the snow globe on the card front and secure using a Mini Glue Dot.
