## 1. Card Cuts:

- Card Base - Cut 1 Real Red cardstock to 11" x 4-1/4", score at 5-1/2"
- DSP Panel - Cut 1 white and gold heart Most Adored Specialty Designer Series Paper to 5-3/8" x 4-1/8"
- Mat - Cut 1 Flirty Flamingo cardstock to 3-7/8" x 1-7/8"
- DSP Panel - Cut 1 Real Red with white hearts Most Adored Specialty Designer Series Paper to 3-3/4" x 1-3/4"
- Sentiment Label - Cut 1 Basic White cardstock to approximately 3" x 2-1/4"
- Scraps of Real Red and Flirty Flamingo cardstock for punching out hearts
- Inside Mat - Cut 1 Flirty Flamingo cardstock to 5-3/8" x 4-1/8"
- Inside Panel - Cut 1 Basic White cardstock to 5-1/4" x 4"
- Envelope Flap - Cut 1 piece of coordinating specialty designer series paper to 6" x 2-1/4"

2. Start by adhering the 5-3/8" x 4-1/8" white and gold heart specialty designer series paper panel to the card front.
3. Adhere the Real Red and white heart piece of specialty designer series paper to its Flirty Flamingo mat, then adhere this unit to the bottom of the card front, making sure to leave an equal distance around the panels on the left, bottom and right.
4. On a scrap piece of white cardstock, stamp the sentiment "Sending you lots of love & hugs" from the Heartfelt Hexagon Stamp Set in Real Red ink. Stamp the decorative border around the sentiment in Flirty Flamingo ink. Use the Heartfelt Hexagon Punch to punch out the sentiment. Adhere the sentiment to the lower center of the card front using Stampin' Dimensionals. The bottom two thirds of the sentiment label will rest on the red and white hearts panel.

5. Using the Bee Builder Punch, punch out several large and small heart shapes from scraps of Real Red and Flirty Flamingo cardstock. Adhere these hearts to the upper portion of the card front using Stampin' Dimensionals. I adhered two large hearts and three smaller hearts to the card front. One small heart was adhered to the upper right corner of the sentiment label. Be sure to angle the hearts in different directions.
6. Using the Bee My Valentine Stamp Set, stamp the sentiment "Happy Valentine's Day" in Real Red ink onto the inside panel. Use the single heart image and stamp hearts around the sentiment using Real Red and Flirty Flamingo inks.

8. Using the Sweet Sorbet Bordered Ribbon, tie a small bow and adhere the bow to the card front, just to the upper left of the sentiment label, using a Mini Glue Dot.
9. Adhere several Adhesive-Backed Hearts to the card front in red and pink.
10. Adhere the piece of coordinating specialty designer series paper to the envelope flap and use a small pair of scissors or paper snips to trim the excess paper away from the flap.
