## 1. Card Cuts:

- Card Base - Cut 1 Misty Moonlight cardstock to 8-1/2" x 5-1/2", score at 4-1/4"
- Panel - Cut 1 Basic White cardstock to 5-3/8" x 4-1/8"
- DSP Panel - Cut 1 Lemon Lolly star pattern from the Bright & Beautiful DSP to 3-3/4" x 3-3/4"
- Acetate Panel - Cut 1 Gold Celebrations Specialty DSP in the confetti print (one side of this acetate is gold and the other is silver...we will be using the silver side) to 3-1/2" x 3-1/2"
- Inside Mat - Cut 1 Lemon Lime Twist cardstock to 5-3/8" x 4-1/8"
- Inside Panel - Cut 1 Basic White cardstock to 5-1/4" x 4"
- Envelope Flap - Cut 1 coordinating piece of the DSP to 6" x 2-1/2"

2. Use the largest square die from the Stylish Shapes Dies set to cut out a square from the white panel measuring 5-3/8" x 4-1/8". Position the die on the upper two-thirds of the panel and center from left to right. Use Post It Notes or Post It Tape to hold the die in place while cutting.
3. Use the small confetti stamp from the Beautiful Balloons Stamp Set and stamp the image on the white die cut panel several times each in Misty Moonlight, Berry Burst and Lemon Lime Twist inks.
4. Using the large and small Star dies from the Beautiful Balloons Dies set, die cut several small and several large stars from Misty Moonlight, Berry Burst and Lemon Lime Twist cardstock scraps. Set aside for now.
5. On the die cut white panel, turn the panel over to the back side and apply a thin line of glue around the square cut out opening. Adhere the 3-1/2" x 3-1/2" acetate panel to the back side of the white die cut panel. If looking at the backside of the panel you want the gold print side of the acetate to show on the back side so that when turned to the right side, the silver confetti print will show. Give the glue a few minutes to set up.
6. On the 3-3/4" x 3-3/4" piece of DSP (white and Lemon Lolly star print), stamp the sentiment "Happy Birthday" in the middle of the panel in Misty Moonlight ink. Adhere this panel to the upper two-thirds of the card base. You can use the white panel with the window cut out to help with placement if needed.
7. Apply Foam Adhesive strips on the reverse side of the white window panel. Make sure to apply the foam adhesive strips all around the square cut out area so that there are no gaps in the adhesive. **This will keep your sequins from escaping!** Apply Foam Adhesive Strips on the remainder of this same panel along the top, bottom and sides so the panel will be fully supported.
8. Lay the card base on your work surface right side up. Pour some Loose Silver Sequins on the white and Lemon Lolly DSP square that you adhered to the card front. Keep the sequins in the center of the square. I used about three large pinches of sequins. Remove the covers from the Foam Adhesive Strips on the white window panel and carefully adhere the panel to

the card front, making sure to line up the window with the DSP square on the card front and center the panel from left to right and top to bottom. If you are satisfied with the placement of the panel, gently press down on the panel to firmly secure it to the card front...especially around the window area. **You have made a shaker card!!!**

9. Adhere two small stars and two large stars to the card front using liquid glue. Refer to photos for placement. Tie a bow using Lemon Lime Twist ribbon from the Ribbon Due Combo Pack and adhere the bow to the upper left corner of the window on the card front using a Mini Glue Dot.
10. On the inside panel stamp the sentiment "I think it's time for a celebration" in Misty Moonlight ink. Stamp the confetti image across the panel several times each in Misty Moonlight, Berry Burst and Lemon Lime Twist inks. Adhere the panel to the Lemon Lime Twist mat, then adhere to the inside of the card.
