Okay, here is another sneak peek of products coming on January 7! This card was created using the **Beautiful Butterflies Bundle** and the **Beautiful Bokeh 6" x 6" Designer Series Paper**. I cased this card from the January-April 2025 Mini Catalog and put my own twist on it. So simple, yet so pretty!

- Beautiful Bokeh 6" x 6" Designer Series Paper (Item #164607 - Available Jan 7)

## Project Sheet - Dec 11 2024

- Sentiment Label - Cut 1 Basic White cardstock to approximately 2-1/2" x 1"
  - Butterfly Back - Cut 1 Berry Burst cardstock to approximately 2" x 2"
  - Butterfly Top - Cut 1 Basic White cardstock to approximately 1-3/4" x 1-3/4"
  - Butterfly Body - Scrap of Basic Black cardstock
  - Inside Panel - Cut 1 Basic White cardstock to 5-1/4" x 4"
  - Envelope Flap - Cut 1 coordinating piece of designer series paper to 6" x 2-1/4"
2. Adhere the DSP Panel measuring 5" x 3-3/4" to the white mat measuring 5-1/8" x 3-7/8" then adhere this to the card front using Stampin' Dimensionals.
  3. Adhere the 1-7/8" Fresh Freesia Square to the 2-1/8" white square then adhere this to the card front using Stampin' Dimensionals. Position the square unit towards the top of the card front so that there is an equal distance between the left, top and right edges of the square and the card base.
  4. Using the Beautiful Butterflies Dies, cut 1 small, solid butterfly from Berry Burst cardstock and cut 1 small, detailed butterfly from white cardstock. Die cut 1 small butterfly body from black cardstock. Adhere just the center of the white butterfly to the Berry Burst butterfly, then adhere the butterfly body on top of the white butterfly. Adhere just the center of the assembled butterfly to the square unit on the card front using liquid glue. By gluing the center of the butterfly body (and not the wings), you can slightly lift the right and left wings to give the butterfly some dimension.

## Project Sheet - Dec 11 2024

5. Stamp the "So Thankful" sentiment from the Beautiful Butterflies Stamp Set onto a scrap piece of white cardstock using Berry Burst ink. Use the small sentiment label die from the Beautiful Butterflies Dies to cut out the sentiment. Adhere the sentiment below the square unit on the card front using Stampin' Dimensionals.
6. Stamp the "For You" sentiment onto the Inside Panel using Berry Burst ink. Then stamp the small butterfly above the upper right of the stamped sentiment in Berry Burst ink. Second generation stamp the small, dotted image above and below the sentiment. Adhere the inside panel to the inside of the card base.

7. Repeat stamping of the butterfly on the envelope front using Berry Burst ink. Second generation stamp the dots above the butterfly several times in Berry Burst ink.
8. Adhere the coordinating piece of designer series paper to the envelope flap and use a small pair of scissors or paper snips to trim the excess paper away from the envelope flap.
9. Adhere several Melon Mambo Iridescent Discs to the card front to complete the card.
