This bright and cheery Celebration card is sure to make the recipient smile! I used the Celebrate Sunflowers stamp set and the Sunflower Dies, along with the Hive 3D Embossing Folder to make this card.

1. Card Cuts:

- Card Base - Cut 1 Mango Melody cardstock to 8-1/2" x 5-1/2", score at 4-1/4"
- Panel - Cut 1 Pumpkin Pie cardstock to 5-1/4" x 4" (for embossing)
- Sunflower Solid Image - Cut 1 Daffodil Delight cardstock to approximately 3-1/2" x 3-1/2" for die cutting
- Sunflower Open Image - Cut 1 Crushed Curry cardstock to approximately 3-1/2" x 3-1/2" for die cutting
- Scraps of Granny Apple Green for die cutting leaves
- Sentiment Label - Cut 1 Daffodil Delight cardstock to 3-1/2" x 7/8"
- Sentiment Label Mat - Cut 1 Mango Melody cardstock to 3-5/8" x 1"
- Envelope Flap - Cut 1 Tea Boutique DSP in Crushed Curry cross-hatch pattern

2. Start by using the Hive 3D Embossing Folder to emboss the 5-1/4" x 4" Pumpkin Pie Panel. Once embossed, adhere this panel to the front of the card base.

3. Using Granny Apple Green ink, stamp two leaves from the Celebrate Sunflowers stamp set onto scraps of Granny Apple Green cardstock. Die cut the leaves using the coordinating die from the Sunflower Dies set.
4. Using the Sunflower Dies, die cut the large solid image of the sunflower in Daffodil Delight cardstock.
5. Die cut the "open" large sunflower in Crushed Curry cardstock. Using a sponge dauber, darken the center of the open sunflower using Early Espresso ink, focusing on the edges of the circle. Also use Early Espresso ink to darken the next circle of the sunflower and the base of the open flower petals. This will provide contrast against the solid flower image.
6. Stamp the greeting "Let's Celebrate You" from the Celebrate Sunflowers stamp set onto the sentiment label in Early Espresso ink. Adhere the sentiment label to its Mango Melody mat.
7. Stamp the small sunflower image in Crushed Curry ink onto the lower right corner of the inside panel. Using Stampin' Blends in Crumb Cake, darken the center of the flower around the edges of the center circle and use Daffodil Delight to darken the petals in places. Stamp the sentiment "Congratulations on reaching a whole new level of wonderul" onto the inside panel using Early Espresso ink. Adhere the inside panel to the inside of the card.
8. Now stamp the same image, as in Step #7 above, onto the lower right front of the envelope and color in using the same Stampin' Blends.
9. Cut a length of Linen Thread and use the darkest shade of Crumb Cake to darken the thread. Apply a small amount of Stampin' Seal to the embossed panel towards the upper right, and where the sunflower will cover the Seal, loop the thread several times and adhere to the Stampin' Seal.
10. Using small drops of liquid glue, adhere the "open" sunflower die cut to the solid image of the sunflower. I left the outer edges unadhered so that I could slightly bend the petal edges up to give dimension to the flower. Using Stampin' Dimensionals, adhere the sunflower to the card front.
11. Using Stampin' Dimensionals adhere the two leaves to the card front, tucking the ends under the sunflower.
12. Using Stampin' Dimensionals, adhere the sentiment label to the card front at bottom center.
13. Adhere six small Rustic Metallic Dots to the center of the sunflower on the card front. Apply a large Rustic Metallic Dot to the sentiment label.
14. Adhere the piece of Crushed Curry DSP to the envelope flap and fussy cut around the flap to finish off the envelope.

The card is complete!

Products used to create this card are included on the next page.
