I'm sharing one of my favorite fun fold cards with you today - a center pop-out card using the **Autumn Expressions Bundle** and the lovely **Splendid Autumn 6" x 6" Designer Series Paper**. This card folds to fit into a standard A2 size envelope. This is an extremely easy fun fold that showcases this beautiful paper! Let's take a look!

2. Adhere the Side DSP Panels to the Wild Wheat Side Mats, then adhere these to the left and right sections of the card front. Adhere the Center DSP Panel to one of the Center Mats, then adhere this to the center section of the card front.
3. Using the Autumn Expressions Dies, die cut the following:
  - Use the large double frame die to cut out 1 sentiment label from Basic White cardstock. Note that you will position the 3-1/2" x 2-1/2" piece of white cardstock over only half of the die when running this through your Stampin' Cut & Emboss Machine.
  - Die cut 2 detailed leaves from Cajun Craze cardstock
  - Die cut 1 detailed leaf from Cherry Cobbler cardstock
  - Die cut 3 leaf sprigs from Mossy Meadow cardstock

4. Apply a small amount of Stampin' Seal to the center of the center section of the card front and loop Linen Thread diagonally across the center section. The loops and ends of the Linen Thread will extend past the center section slightly.
5. Stamp the "Congratulations" sentiment from the Everyday Greetings Stamp Set onto the center of the white sentiment label in Mossy Meadow ink. Adhere the sentiment label to the center of the center section using Stampin' Dimensionals. Be sure to leave room for tucking in leaves and leaf sprigs.
6. Arrange the leaves and leaf sprigs above and below the sentiment label and adhere with liquid glue. You will need to trim the ends of the leaf sprigs slightly. I placed one Cherry Cobbler leaf, one Cajun Craze leaf and a leaf sprig above the sentiment label and two leaf sprigs and one Cajun Craze leaf below the sentiment label.
7. On the Inside (Back) Panel, stamp the leaf image from the Autumn Expressions Stamp Set three times onto the upper right corner and lower left corner in Cajun Craze and Cherry Cobbler ink. Adhere the panel to the remaining Wild Wheat mat, then adhere this to the center section on the back of the card base.

8. Repeat stamping of the leaf image three times on the envelope front using Cajun Craze and Cherry Cobbler ink.
9. Adhere a coordinating piece of designer series paper to the envelope flap and use a small pair of scissors or paper snips to trim the excess paper away from the flap.
10. Adhere three gold Blooming Pearls to the center section of the card front to complete the project.

This completes the card! Cards practically make themselves when using the Splendid Autumn Designer Series Paper...it is that beautiful!
