- Side DSP Panels - Cut 2 from Gorgeous Grape solid print designer series paper to 4" x 2"
 - Inside (Back) Panel - Cut 1 Basic White cardstock to 4" x 3-1/2"
 - Sentiment Label - Cut 1 Basic White cardstock to approximately 2-1/2" x 1-3/4"
 - Sentiment Label Mat - Cut 1 Gorgeous Grape solid print designer series paper to approximately 3" x 2-1/4"
 - Envelope Flap - Cut 1 coordinating piece of designer series paper to 6" x 2-1/4"
2. Cut and score the card base. The 2-1/4" score line is a valley fold, the 3-5/8" and 7-3/8" score lines are mountain folds and the 8-3/4" score line is a valley fold.
 3. Adhere the Center DSP Panel to one of the Lost Lagoon Center Mats, and adhere to the center of the card. Adhere the Side DSP Panels to their Lost Lagoon mats, then adhere one to the far left and far right sections of the card front.

4. Use the Perennial Postage Dies to cut out 1 rectangle from the Gorgeous Grape designer series paper print using the 4th from the smallest rectangle die, and cut out 1 Basic White rectangle using the 3rd from the smallest rectangle die.

5. Adhere the Gorgeous Grape post stamp die cut to the center of the Center Panel.
6. Stamp the sentiment "I can't thank you enough" in Gorgeous Grape ink onto the Basic White postage stamp die cut piece. Set aside for now.
7. Using the painted lavender dies, die cut the following as indicated on the diagram below.

8. Once you have all of the greenery die cut, you will need to use liquid glue to glue the small Berry Burst flowers onto the Fresh Freesia greenery stems. Arrange the lavender stems onto the Center Panel and over top of the Gorgeous Grape postage stamp. I arranged the greenery so that they fan out at the top and the stems all come together at the center of the bottom of the postage stamp. Once you're happy with the arrangement of the greenery, use small drops of liquid glue to adhere the stems down. **Note: Do not apply glue to the very tops or very bottoms of the greenery. This allows the greenery to sit above the card surface slightly and gives them dimension. You especially want to leave the stems at the bottom glue free since you will be tying a short length of Linen Thread around the stems.**
9. Adhere the postage stamp sentiment label to the center panel and center over the Gorgeous Grape postage stamp and greenery. I applied Stampin' Dimensionals to the top, bottom and sides and tried to avoid placing Stampin' Dimensionals towards the center.
10. Adhere the larger butterfly to the top left of the sentiment label.
11. On the Inside Panel (back panel), stamp the sentiment "You're simply marvelous" in Gorgeous Grape ink. Stamp the small flower sprig onto the lower left of the panel in

Gorgeous Grape ink, then without reinking, stamp the same image again. Stamp the butterfly image in Highland Heather ink to the lower right of the sentiment. Adhere the panel to its Lost Lagoon mat, then adhere this panel to the center back of the card base.

12. Use a short length of Linen Thread and carefully tie it around the stems of the greenery on the card front and just below the sentiment label. Tie a small bow and trim the ends of the thread as needed.
13. Adhere several Purple Fine Shimmer Gems to the card front.
14. On the envelope front, stamp the small flower sprig in Gorgeous Grape ink then without reinking the stamp, stamp the image again. Stamp the butterflies' image above the flower sprigs in Highland Heather ink.
15. Adhere the piece of coordinating designer series paper to the envelope flap and trim the excess paper away from the flap using a pair of small scissors or paper snips.
