I used the super fun **Watercolor Melon Stamp Set** to create today's card. This stamp set can be found in the upcoming Jan-Feb 2024 Sale-A-Bration Catalog and you can get this stamp set for free with a \$50 purchase! This stamp set coordinates with the Modern Oval Punch. The designer series paper is from the **Perennial Lavender 12" x 12" Designer Series Paper**. Items from the upcoming Mini Catalog and Sale-A-Bration Catalog will be available for customer orders beginning on January 4. Sentiments are from the Let's Go Shopping Stamp Set.

Supplies:

- Cardstock: Thick Basic White, Basic White, Sweet Sorbet
- Ink: Garden Green, Granny Apple Green, Sweet Sorbet, Early Espresso

1. Card Cuts:

- Card Base - Cut 1 Thick Basic White cardstock to 8-1/2" x 5-1/2", score at 4-1/4"
- Mat - Cut 1 Sweet Sorbet cardstock to 5-3/8" x 4-1/8"
- DSP Panel - Cut 1 check print to 5-3/8" x 3"
- Sentiment Label - Cut 1 Basic White cardstock to 2-3/8" x 1/2"
- Inside Panel - Cut 1 Basic White cardstock to 5-3/8" x 4-1/8"
- Envelope Flap - Cut 1 piece of coordinating designer series paper to 6" x 2-1/4"

2. Start with the Sweet Sorbet mat. Use the image of the three watermelon seeds and stamp the seeds down the right and left long edges of the mat using Early Espresso ink. This will create a border down the sides. Make sure to turn the stamp as you are stamping.

3. On a scrap piece of Basic White cardstock, stamp the following:

- Stamp the whole watermelon image using Garden Green ink. Use the Modern Oval punch to punch out the image.
- Stamp the half watermelon rind in Garden Green ink, then stamp the watermelon halves in Sweet Sorbet ink. Use the Modern Oval Punch to punch out the stamped images. Then use a pair of scissors to cut across the top of the watermelon slices.

4. Arrange the whole watermelon and the slices onto the DSP Panel. I have the whole

watermelon and one of the slices hanging over the bottom left edge of the DSP panel.

Before adhering these images to the DSP panel, use Granny Apple Green ink to stamp the leaf image directly on the panel two times. One leaf will sit above and behind the whole watermelon and one leaf will be partially showing behind the watermelon slice on the right.

5. Adhere the DSP Panel to the Sweet Sorbet Mat, making sure to center the panel from right to left. Then, adhere the whole watermelon to the DSP Panel using Stampin' Dimensionals. Adhere the watermelon slices in front of the whole watermelon using a combination of Stampin' Dimensionals and liquid glue.
6. From the Let's Go Shopping Stamp Set, stamp the sentiment "You are such a sweet treat" in Sweet Sorbet ink onto the sentiment label. Stamp the sentiment to the left of the label, then cut a banner end on the right side of the label. Before adhering the sentiment label to the panel, tie a loose bow from Linen Thread and adhere the bow to the panel using Stampin' Seal - just under where the sentiment label will sit. Adhere the sentiment label to the Sweet Sorbet Mat/DSP Panel towards the top right of the panel using Stampin' Dimensionals.
7. Adhere the panel to the card front using Stampin' Dimensionals.
8. On the inside panel follow the below instructions then adhere the panel to the inside of the card base:
 - Stamp the sentiment "Wish you were here" in Sweet Sorbet ink from the Let's Go Shopping Stamp Set.
 - Partially Stamp the whole watermelon in Garden Green ink onto the lower left of the panel.
 - Stamp the half watermelon rind to the right of the whole watermelon in Garden Green ink, then stamp the watermelon in Sweet Sorbet ink.
 - Use Granny Apple Green ink to stamp leaves around the whole watermelon and the slides. Second-generation stamp a leaf over the sentiment in Granny Apple Green ink.

9. Stamp the rind and watermelon onto the envelope front using Garden Green ink for the rind and Sweet Sorbet ink for the watermelon. Stamp the leaf image around the slice using Granny Apple Green ink.
10. Adhere the coordinating piece of designer series paper to the envelope flap and trim the excess paper away from the flap using a small pair of scissors or paper snips.
11. Adhere several Brushed Brass Butterflies to the card front to complete the project.
